 <p style="text-align: center;"> U.S. ENVIRONMENTAL PROTECTION AGENCY Office of Pesticide Programs Registration Division (7505P) Ariel Rios Building 1200 Pennsylvania Ave., NW Washington, D.C. 20460 </p>	EPA Reg. Number: 192-210	Date of Issuance: MAR 29 2007
	Term of Issuance:	
NOTICE OF PESTICIDE: <input type="checkbox"/> Registration <input checked="" type="checkbox"/> Reregistration (under FIFRA, as amended)	Name of Pesticide Product: Dexol Systemic Granules for Plant Insect Control	
Name and Address of Registrant (include ZIP Code): Value Gardens Supply, LLC P.O. Box 585 Saint Joseph, MO 64502		
Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.		
<p>On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.</p> <p>Based on your response to the Interim Reregistration Eligibility Decision (IRED) for Acephate, EPA has reregistered the product listed above. This action is taken under the authority of section 4(g)(2)(C) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.</p> <p>Generic data requirements that have been identified in the IRED as confirmatory data for the active ingredient contained in the subject product will continue to be tracked and assessed in the Agency's continual reassessment of pesticides.</p> <p>The labeling for the subject product submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, is acceptable provided you submit one (1) copy of the final printed label incorporating the following corrections before you release the product for shipment. Products shipped after 12 months from the date of this Notice must bear the new revised label.</p> <ol style="list-style-type: none"> 1. The text "Do not apply this product in a way that will contact people or pets" appearing on your earlier draft label must be added back to your label as required in the IRED. 2. The typographical error on Page 2 of the label "2 level teaspoonfuls in a hand around each plant" must be corrected to read "2 level teaspoonfuls in a band around each plant." 		
Signature of Approving Official: 	Date: MAR 29 2007	

3. The product name appearing on Page 2 of the label, "Dexol Systemic Granules" must be revised to agree with the name on the front panel of the label, "Dexol Systemic Granules for Plant Insect Control."

The Confidential Statement of Formula (CSF) dated January 16, 2007 received with your letter of January 18, 2007 is acceptable and has been incorporated into our file for the product. It is understood that this CSF replaces all other CSFs submitted for the product.

A stamped copy of the label is enclosed for your records.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

The Agency has completed the cumulative assessment for the organophosphate pesticides (OPs) and finalized the Interim Reregistration Eligibility Decisions (IREDs) for the OP pesticides. The assessment and supporting documents may be found on the Agency's web site at www.epa.gov/pesticides/cumulative and in the docket (EPA-HQ-OPP-2006-0618).

TOTAL.....100.00%

ACCEPTED
with COMMENTS
in EPA Letter Dated:
MAR 29 2007
Under the Federal Insecticide,
Fungicide, and Rodenticide Act,
As amended, for the pesticide
Registered under EPA Reg. No.
192-210

For Outdoor Use Around The Home Only

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

See Additional Precautionary Statements and First Aid on back panel.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing.

FIRST AID

Have the product container or label with you when calling a Poison Control Center or doctor, or going for treatment. You may also contact the National Pesticide Information Center 1-800-858-7378.

If In Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a Poison Control Center for further treatment advice.

If Swallowed: Call a Poison Control Center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a Poison Control Center or doctor. Do not give anything by mouth to an unconscious person.

If On Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a Poison Control Center or doctor for treatment advice.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a Poison Control Center or doctor for further treatment advice.

Note to Physician: This product contains a cholinesterase inhibitor. If symptoms of cholinesterase inhibition are present, atropine sulfate by injection is antidotal. 2-PAM is also antidotal and may be administered in conjunction with atropine.

For information on this pesticide product (including health concerns, medical emergencies, or pesticide incidents) call the National Pesticide Information Center 1-800-858-7378.

USER SAFETY RECOMMENDATIONS

When handling the product, wear chemical resistant gloves made of any water proof material, long pants, and long sleeved shirt. Wash the outside of gloves with soap and water before removing. Users should wash hands before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse. User should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

ENVIRONMENTAL HAZARDS

This pesticide is toxic to birds. Do not apply to water. Do not contaminate water when disposing of equipment washwaters or rinsate.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Do not allow people or pets to enter treated area until dusts have settled.

This product is for use only on plants grown around the house as listed. Do not apply to plants or sites not listed on this label. **Dexol® Systemic Granules [This Product]** contains an effective systemic insecticide that provides up to 6 weeks control of Aphids, Thrips, Leafhoppers, Leaf Miners and other insects listed. Systemic means that the insecticide is actually absorbed into the plant through the root system and then moves internally through the sap stream into the branches, leaves, blossoms and new growth. Working from inside the plant, **Dexol Systemic Granules [This product]** kills sucking insects as they feed. It cannot be washed off by rain or sprinkling since the protection is internal.

When used as directed **Dexol® Systemic Granules [this product]** kills the following insects on roses, flowers and shrubs: Aphids (Plant Lice), Cuban Laurel Thrips (Ficus), Leafhoppers, Lace Bugs, Holly Leaf Miners, Birch Leaf Miners, Maple Shoot Moth, Elm Leaf Beetles, Willow Leaf Beetles, Obscure Root Weevil on Azalea and Rhododendron. Wear chemical resistant gloves, long pants, and long sleeved shirt when handling, applying this product or mixing into the soil as directed. **DO NOT** apply to plants used for food or feed. **DO NOT** apply to ornamentals that are planted directly beneath food producing trees such as fruit or nut bearing trees.

FOR ORNAMENTAL SHRUBS: Apply 3.3 oz (2/3 cup) for each foot of shrub height. Distribute the required amount evenly from the base to the dripline of all sides of the plants. Work into top 1 to 2 inches of soil and water in thoroughly. Apply when plants have had about 1 inch of new growth in the spring and reapply every six weeks through the end of summer.

FOR ESTABLISHED ROSES: Apply 3.3 oz (1/2 cup) evenly over an area of 3' x 3' (9 sq. ft.) around the base of each plant and work into top 1 to 2 inches of soil. Water in thoroughly.

WHEN PLANTING NEW ROSE BUSHES: Do not apply to newly planted roses until they have become well established or have been planted in the ground for 3 months. Then follow directions for Established Roses.

FOR FLOWERS: Before Planting - Apply approximately 2/3 lb. (10 oz.) per each 25 sq. ft. (5' x 5') of bed area. Work into top 1 to 2 inches of soil. Plant seed or set plant and water thoroughly. Growing Plants – Apply 2 level teaspoonfuls in a hand around each plant. Work into the top 1 to 2 inches of soil. Water thoroughly.

5 8 5

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal. **Storage:** Store in a cool dry place away from children and pets. Keep in original container and preferably in a locked storage area.

Disposal: If empty: Do not reuse empty container. Place in trash or offer for recycling if available.

If Partly Filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

To the extent consistent with applicable law, buyer assumes all responsibility for safety and use not in accordance with label directions. Information regarding the contents and levels of metals in this product is available on the internet at <http://www.wa.gov/agr/>.
