INSECTICIDE

Fast Killing Formula

CAUTION: KEEP OUT OF REACH OF CHILDREN
additional cautions on back.

NET WT. 13½ OZ.

ACCEPTED
FEB 01 1979
UNDER THE FEDERAL INSECTICIDE FUNGICIDE AND RODENTICIDE ACT
FOR ECONOMIC POISON REGISTERED UNDER NO. ..... SUBJECT TO ADDITIONAL COMMENTS.

NO CHILD UNDER 51 MONTHS OLD WAS ABLE TO OPERATE THE VALVE FOLLOWING STANDARD PROTOCOL TEST.

DIRECTIONS: SHAKE BEFORE USING. To spray hold can upright, insert finger into large opening in the protrusion on the side of the top. Point finger away from body and push button down.

KILLS	HOLD CAN 2 FEET FROM ALL OBJECTS BEING SPRAYED
Flies, Mosquitoes, Gnats, Flying Moths, Wasps: Indoors	Close doors and windows and spray upward in a sweeping motion to fill room with mist. Keep room closed for 15 minutes. Do not remain in treated areas. Ventilate the area after treatment is completed.
Roaches, Ants, Spiders, Silverfish, Waterbugs, Centipedes, Crickets: Indoors	Thoroughly spray all hiding places such as cracks, crevices, baseboards, under and behind furniture and large appliances, openings around pipes, sinks and cupboards. Spray ant trails and areas around door sills and window frames. Hit as many insects as possible. Repeat treatment as needed.
Fleas and Ticks: Indoors	Thoroughly spray all hiding places such as cracks, crevices, and baseboards, sleeping quarters of pet, floor around pet's bed and floor coverings. Repeat treatment often. Hit as many insects as possible.
Aphids, Red Spider Mites, Exposed Thrips, Leafhoppers, Exposed Cutworms, Japanese Beetles: Outdoors	Protects: Roses, Mums, African Violets, Gladiola, Marigolds, Azaleas, Petunias, and other flowering plants, evergreens, and deciduous shrubs. Spray with a slow, sweeping motion or in short bursts so that spray drifts into plants. Use with caution on tender foliage, new growth, and young plants. Spray when the air is still. Repeat as necessary. Do not spray plants when temperature exceeds 90°F.

Spray outdoor areas when the air is still to reduce the number of annoying insects (flies, mosquitoes, gnats) during outdoor meals. Spray tables and grill area, and around patio or porch. Avoid spraying food or food products.

CAUTION: Keep out of reach of children. Do not spray food or food products. Do not spray plastics or asphalt tile. Remove pets, birds and cover fish aquariums before spraying. Do not remain in treated areas. Ventilate the area after treatment is completed.

WARNING: Contents under pressure. Do not puncture, incinerate, or store can anywhere that temperature will exceed 110°F., as it may explode.

ACTIVE INGREDIENTS: Pyrethrins 0.30% [illegible]
