WARNING!

May be fatal if swallowed. Absorbed through skin. Do not breathe vapors or spray mist. Avoid contact with skin, eyes and clothing. Wash thoroughly after use. Do not contaminate feed and feedstuffs. In case of skin contact, wash with soap and water for 15 minutes with plenty of water and get medical attention. Wash clothing with soap and hot water before reuse. Keep off skin and get attention for persistent irritation. **DO NOT SPRAY OR STORE NEAR HEAT OR FLAME.** Use of this material in a garage or at a time other than in a garage with the directions may produce plant injury, excessive discoloration, or other undesirable results. Do not apply under conditions requiring possible drift to food, forage, or other plant material that might be consumed or the reproductive material of any susceptible crop.

This product is toxic to fish, birds, and other wildlife. Seals and other wildlife are protected as they breathe through their skin. Do not use on seals or other wildlife.

[illegible]

* Do not apply to bees and do not be applied when bees are present.

Household wastes should be disposed of by burying them in a hole in the ground. Containers should be buried with the waste or buried separately.
