| • Restaurants | | • Locker Rooms |

DIRECTIONS FOR USE

FOR FLIES, MOSQUITOES, AND GNATS Spray thoroughly in areas where flies, mosquitoes, and gnats are present. Repeat spraying as necessary. For best results, spray in the evening.

WASPS Spray thoroughly in areas where wasps are present. Repeat spraying as necessary. For best results, spray in the evening.

CAUTION: KEEP OUT OF REACH OF CHILDREN

Do not use or store near heat or open flame. Avoid contact with skin and eyes. Wash hands thoroughly after use. Do not breathe vapors. Do not use in confined spaces. Do not use in areas where food is prepared or stored.

When not in use, the can or container should be kept tightly sealed to prevent evaporation.
