FUNGICIDE AND RODENTICIDE ACT
FOR ECONOMIC POISON REGISTERED
UNDER NO. 223-18

DeFree
PARA-TOX
liquid parasiticide

DeFree
NEC 101.101 (b)(1)

Active ingredients:
Fenitrothion 0.2%
Piperonyl butoxide technical 2.0%
equivalent to 1.60% butylperm-
ethyl 26-propylperoxyethyl ether and
0.40% related compounds
Deodorized Kerosene 5.0%
Inert ingredients 82.4%
TOTAL 100%

DIRECTIONS: Cover infested hair, scalp, or other area with a liberal quantity of Para-Tox. Rub in thoroughly. Allow application to remain no longer than 15 minutes, then wash with soap and water, or shampoo. Comb hair with fine comb to remove dead lice and eggs.

WARNING: Do not apply more than twice in any 24 hour period. Do not inhale. Harmful if swallowed. Should not be used by raw and sensitized persons. Avoid contact with mucous membranes. Do not use near the eyes. If Para-Tox should get into the eyes, flush immediately with lukewarm water. If skin irritation or signs of infection are present, contact a physician. Do not reuse container, empty when empty.

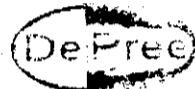

THE DE FREE COMPANY
1000 Market Street

para-tox
liquid parasiticide

To help prevent re-infestation, sterilize all articles which may have come in contact with hair by boiling in water or exposing to steam.

Easy to apply. Leaves hair soft and manageable. No lasting odor. Does not stain underclothes that wash them with warm water. Do not use soap or detergent.
