PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS
CAUTION: Harmful if swallowed, inhaled or absorbed through skin. Avoid breathing vapors or spray mist. Avoid contact with skin, eyes, or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. During activities involving the handling and use of this product, workers must wear long pants, a long-sleeved shirt, shoes and socks, and chemical resistant (such as nitrile or butyl) gloves.

PHYSICAL OR CHEMICAL HAZARD

Combustible liquid. Keep away from heat and open flame.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

1. This additive is for use in liquid hydrocarbon fuels including jet fuel, diesel fuels, marine fuels and fuel oils for anti-microbial control of fungi and bacteria found in hydrocarbon fuel systems and/or for anti-icing control. Also recommended for anti-icing control in gasolines.
2. For both anti-microbial and anti-icing control, use in concentrations of 0.10 to 0.15% by volume. Do not mix or blend this product with any fuels unless using a closed delivery system. Blend with fuel continuously and incrementally with good mixing. Do not dump concentrated additive unmixed into fuel tanks. Do not allow concentrated additive to contact coated interiors of fuel tanks or painted surfaces. Refer to advice of equipment and/or engine manufacturers or to regulations of applicable government agencies regarding use for each particular fuel.
3. **Attention:** Emptied tote, tanker truck or rail tanker car retains vapor and product residue. Do not cut or weld on or near these.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

STORAGE: Protect from ignition sources. Keep tanker or tote tightly closed. Do not store in a manner that might adversely effect tote or tanker's integrity.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office of guidance.

CONTAINER DISPOSAL:

Refillable Tote: This is a refillable container that must be returned to an authorized Phillips 66 Company refilling facility for refilling or disposal.
Bulk: Thoroughly clean tanker truck or rail tanker car before reusing.

Note: For minor spills, or leaks follow all precautions indicated on this label and clean up immediately. Take special care to avoid contamination of equipment and facilities during cleanup and disposal of wastes. For large spills, leaks, fire or accident, immediately contact CHEMTREC at 800-424-9300.

NOTICE TO BUYER: SELLER warrants that this product conforms to its chemical description and is reasonably satisfactory for the purpose stated on this label when used in strict accordance with SELLER's directions under normal conditions of use. THE FOREGOING WARRANTIES (WHETHER WRITTEN OR ORAL, EXPRESS OR IMPLIED) INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE IN OTHER RESPECTS THAN EXPRESSLY SET FORTH ABOVE. Further, said warranties do not extend to the use of this product contrary to label directions, or under abnormal conditions, or under conditions not reasonably foreseeable to SELLER, and BUYER assumes the risk of any such use. In no event shall SELLER be liable for consequential damages of a commercial nature.
