8-1 CUKE DUST

CONTAINS 8% DITHANE M-22 & 1% LINDANE

for control of

CERTAIN INSECTS AND CERTAIN DISEASES

Active Ingredients:

Maneb (Manganese ethylene bisdithiocarbamate)	6.4
(Metallic Manganese content 1.32%)	
Gamma Isomer of Benzene Hexachloride from Lindane	1.0
Inert Ingredient	92.6

CAUTION: Keep out of reach of children and domestic animals.

Avoid breathing of dust. Avoid contamination of feed and foodstuffs. May cause irritation of nose, throat, eyes and skin. Do not breathe dust or spray mist. In case of skin contact wash with water; for eyes get medical attention. Do not apply to root crops. Do not feed forage crops treated with this material to dairy animals or to animals being finished for slaughter. **KEEP AWAY FROM FIRE AND SPARKS.** Store in a dry place.

This product is toxic to fish and wildlife. Keep out of lakes, streams or ponds. Do not apply when weather conditions favor drift from areas treated.

DIRECTIONS — Do not mix with water.

At each dusting the plants should be covered thoroughly, also the ground covered at the base of the plants. Use approximately 35 lbs. per acre for each application or when plants are thoroughly covered with a light film of dust.

CUCUMBERS — Striped and Spotted Cucumber Beetles, Cucumber Melon Worms, Pickle Worms, Anthracnose, Downy Mildew. The first dusting should be made when the plants first break through the ground, and dusting 5 days later. Repeat 5 or more dustings at 7 to 10 day intervals, to within 1 day of harvest. Remove excess residues from edible parts by washing brushing or other effective means at harvest.

Do not reuse empty container. Destroy it by burying with waste or burning. Stay away from smoke or fumes.

Seller warrants that the product conforms to its chemical description and is reasonably fit for the purpose stated on the label when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, express or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to seller, and buyer assumes the risk of any such use.
