## 10% TOXAPHENE GRANULES

A 15/30 MESH GRAPHITED GRANULAR INSECTICIDE

(U.S. PATENT NO. 3,461,201)

ACTIVE INGREDIENT:

Toxaphene (Technical Chlorinated Camphene  
Containing 67% to 69% Chlorine)

10%

INERT INGREDIENTS:

90%

TOTAL

100%

**CAUTION: KEEP OUT OF REACH OF CHILDREN – See Other Precautions Below**

### DIRECTIONS FOR USE

For Corn Borer—Use at rate of 20 lbs. per acre with ground equipment or by air.

Observation of leaf feeding is the best way to time first brood treatments. Make one application as soon as 75% of the plants show signs of feeding in the whorl leaves. A second application 7-10 days later may be profitable on hybrid seed corn if moth flight is extended and new feeding in the whorl shows up.

For second brood use same dosage and make treatment when 100 egg masses per 100 plants are found.

Local conditions may effect the use of this chemical. Consult State Agricultural Extension or local agricultural specialists for specific recommendations.

Do not feed ensilage made from treated corn plants to dairy animals or animals being prepared for slaughtered. Do not graze dairy animals on treated stover. Do not graze meat animals on treated stover within four weeks of slaughter.

### CAUTION

May be fatal if swallowed. This material may be absorbed through the skin. Therefore avoid contact with skin, eyes or clothing. Do not breathe dust or vapors.

These Riverdale 10% Toxaphene Granules have been coated with graphite as an aid in Safe Handling and for Lubrication of Equipment. WASH ALL SKIN AREA AND CLOTHING THAT IS BLACKENED BY THE GRAPHITE. Wash hands, arms and face with soap and water after handling and before eating or smoking.

Avoid contamination of foodstuffs and feed. Do not use on or around household pets or humans. Do not use around dairy barns.

This product is toxic to fish and wildlife. Birds feeding on treated areas may be killed. Keep out of lakes, streams, and ponds. Apply only as specified on label. Dispose of wastes by burying on non-crop land away from water supplies. Dispose of empty containers by burning. Keep out of smoke.

### NOTICE OF WARRANTY

The seller guarantees the ingredients as stated but makes no warranty expressed or implied concerning the use of this product other than indicated on the label. Buyer assumes all risk of use and/or handling of this material when such use and/or handling is contrary to label instruction.
