EPA REGISTRATION NO. 228-183	DATE OF ISSUANCE APR 9 1986						
TERM OF ISSUANCE Conditional							
NAME OF PESTICIDE PRODUCT Riverdale Triamino Spot Weed Killer							
NAME AND ADDRESS OF REGISTRANT (Include ZIP code) <div style="border: 1px solid black; padding: 10px; margin: 10px auto; width: 80%;"> Riverdale Chemical Company 220 East 17th Street Chicago, Heights, IL 60411 </div>							
NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.							
On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act. A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith. Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others. This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:							
<ol style="list-style-type: none"> 1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data. 2. Make the labeling changes listed below before you release the product for shipment: <ol style="list-style-type: none"> a. Add the phrase "EPA Registration No. 228-183." b. Add a statement specifying that use of this product is for lawns (or other specific sites you list around the home). 3. We are approving this registration based on reported results for your eye irritation study submitted March 7, 1986 (Accession No. 261901) and the skin sensitization study submitted March 26, 1986 (Accession No. <u>262173</u>). These results indicate that this product is not an eye irritant (Category IV) and is not a sensitizer. 							
<input type="checkbox"/> ATTACHMENT IS APPLICABLE							
SIGNATURE OF APPROVING OFFICIAL	DATE APR 9 1986						

4. Submit one (1) copy of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

*Requires 2 applications
10 days apart

IMPORTANT: Do not use this product for controlling weeds in vegetable gardens, flower beds or around shrubs or ornamental plants. Do not apply to Dichondra, Lippia, St. Augustine and Clover lawns. Do not apply when temperatures are expected to exceed 85°F, or if rain is expected to occur within 24 hours following application.

Weeds in newly seeded lawn may be sprayed after lawn has been mowed 3 times.

HOW TO USE: Adjust spray nozzle to give coarse spray. Aim at center of weed and spray to wet. One application should be sufficient. Effects begin to show after a few days and weeds gradually die. A repeat application may be required in 3-4 weeks for hard to control weeds.

TO PREPARE REFILL: 1 Tablespoon Riverdale Triamine Lawn Weed Killer to
this empty quart container. Then add 30 oz. tap water and
use according to directions in this label. ✓

STORAGE AND DISPOSAL

STORAGE: Keep from freezing. To be stored in original container and placed in areas in accessible to children.

PESTICIDE DISPOSAL: Product remaining in original container should be disposed of by securely wrapping original container in several layers of newspaper and discarding in trash.

CONTAINER DISPOSAL: Do not reuse empty container except as specified in directions to prepare refill. Discard empty container in trash.

NOTICE: Buyer assumes all risks of use, storage and handling this product not in strict accordance with directions given herewith.
