E P A REG. NO. 228-190 NET WEIGHT 1 lb. 7 oz. E P A EST. NO. 33994-IL-2

DIRECTIONS

1. Shake can just before using and occasionally during use.
2. Invert can, hold at arm's length, and point can at weed as you press button. Do not press button when can is in upright position.
3. Stand close to weed (1 to 2 feet) with can aimed at weed and away from face.
4. Push down briefly on button. Spray to cover center of weed, do not over-spray. The spray's foaming action will make it easy for you to see coverage.
5. One application will kill most weeds listed. If certain tough weeds are not dead within 3 weeks, repeat application.

IMPORTANT: Do not use this product for controlling weeds in vegetable gardens, flower beds or around shrubs or ornamental plants. Do not apply to Dichondra, Lippia, and Clover lawns. Do not apply when temperatures are expected to exceed 85°F, or if rain is expected to occur within 24 hours following application.

Weeds in newly seeded lawn may be sprayed after lawn has been mowed 3 times.

STORAGE AND DISPOSAL

STORAGE: Keep from freezing. To be stored in original container and placed in an area inaccessible to children. Do not store near heat or open flame.

PESTICIDE DISPOSAL: Product remaining in original container should be disposed of by securely wrapping original container in several layers of newspaper and discarding in trash.

CONTAINER DISPOSAL: Do not incinerate or puncture.
