NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Livergale Chemical Company 2.4 Past 17th Street Chicago Acights, To 60411

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFR section 3(c)(7)(h) provided that you:

- 1. Submit/cite all data required for registration/reregistration of your product under FIPRA section 3(c)(b) when the Agency requires all registrants of similar products to submit such data.
- take the labeling changes listed below before year elease the product for scipment:
 - a. Add the phrase "GPA Registration No. 278-200."
 - h. Deleta "Isomer Specific by AGAC Methods." The product being repacked does not declare the percentage of active ingredient by an isomer specific method.
 - c. Under the Leading Pesticide Disposal add the statement: required by Section 8.2. of the enclosed Pk Notice 63-3. Specify Container Disposal before "Completely cupty bag " Correct the spelling of "food."

SIGNATURE OF APPROVING OFFICIAL

SEP 29 1986

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Richard F. Mountfort Product Manager (23) Fungicide-Herbicide Branch Registration Division (TS-767C)

glasses of water and induce vomiting by touching back of throat with finger. Repeat until vomit is clear. Do not induce vomiting or give anything by mouth to an unconscious person.

If In Eyes: Rinse eyes with plenty of water for

at least 15 minutes and call physician.

If On Skin: Wash promptly with soap and water.

Rinse thoroughly.

If Inhaled: Remove victim to fresh air and apply

respiration if indicated.

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds and other wildlife.

Do not discharge effluent containing this product directly into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the Environmental Protection Agency.

STORAGE AND DISPOSAL

STORAGE: Always store pesticides in a secured warehouse or storage building. Do not store near seeds, fertilizers, insecticides or fungicides. Containers should be opened in well ventilated aeras. Keep container tightly sealed when not in use. Do not contaminate water, filod or feed by storage or disposal. Completely empty bag by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into formulating equipment. Then dispose of bag in a sanitary landfill or by incineration if allowed by state and local authorities.

INSTRUCTIONS FOR FORMULATION

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This pesticide may be used only for the formulation of a herbicide. Formulators using this product are responsible for obtaining EPA Registrations for their formulated products.

NOTICE: Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herewith.
