US ENVIRONMENTAL PROTECTION AGENCY OFFICE OF PESTICIDES PROGRAMS REGISTRATION DIVISION (TS-767) WASHINGTON, DC 20460  <b>NOTICE OF PESTICIDE:</b> <input type="checkbox"/> REGISTRATION <input checked="" type="checkbox"/> REREGISTRATION (Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended)	EPA REGISTRATION NO. 228-309	DATE OF ISSUANCE 10/10/95
	TERM OF ISSUANCE conditional	
	NAME OF PESTICIDE PRODUCT Riverdale Veteran 10G	

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Riverdale Chemical Company  
 425 West 194th Street  
 Glenwood, Illinois 60425-1584

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) and sec. 4 where the Agency requires all registrants of similar products to submit such data.
2. Add the phrase, "EPA Registration No. 228-309" to the product label and submit five (5) copies of your final printed labeling to the Agency before you release the product for shipment.

KEEP OUT OF REACH OF CHILDREN

## WARNING

See below for additional precautionary statements

### PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS WARNING

Harmful if swallowed. Avoid breathing vapors. Dust may cause eye irritation. Avoid contact with skin, eyes and clothing. In case of contact, immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists.

Do not store near feed or food stuffs.

#### ENVIRONMENTAL HAZARDS

Do not apply directly to water or to areas where surface water is present, or to intertidal areas below the mean high water mark. Do not contaminate water by the cleaning of equipment or disposal of wastes. Do not contaminate water when disposing of equipment washwaters.

#### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

#### IMPORTANT

Do not contaminate irrigation ditches or water used for domestic purposes.

Persimmon, Eastern  
Plum, Sand  
Saltcedar  
Sumac  
Tartar

**APPLICATION RATES AND TIMING:** VETERAN 10G Herbicide may be applied by standard ground or air granular application equipment for broadcast or spot application. VETERAN 10G Herbicide is activated when there is sufficient moisture to move it into the root zone of plants to be controlled. Application may be made at any time, provided the soil is not frozen. However, best performance usually occurs when treatment is made in the spring just before or during active growth of the weeds and brush. CONSULT FEDERAL, STATE OR STATE AUTHORITIES FOR THE BEST TIMING OF APPLICATION.

Application rates are given below. Use the higher level of listed rate rate for dense vegetative growth.

- For spot treatments, use 1/2 to 1 pound of product per 1000 square feet of listed BIENNIAL and PERENNIAL weeds.
- For spot treatments, use 1 to 2 pounds of product per 1000 square feet of listed (\*) BIENNIAL and PERENNIAL weeds.
- For spot treatments, use 1 to 2 pounds of product per 1000 square feet of listed WOODY BRUSH and TREES. Uniformly spread granules over the area where the plant roots are growing.

8143

Veteran 10G Herbicide may cause injury to desirable trees or plants, particularly beans, cotton, flowers, fruit trees, grapes, ornamentals, peas, potatoes, soybeans, sunflowers, tobacco, tomatoes, and other broadleaf plants when contacting their roots, stems, or foliage.

Do not treat areas where the possible downward movement into the soil or surface washing may cause contact of herbicide with the roots of desirable plants such as trees and shrubs.

To avoid injury to desirable plants, equipment used for VETERAN 10G Herbicide should be thoroughly cleaned before reuse to handle or apply any other chemicals.

VETERAN 10G Herbicide may temporarily stunt or eliminate the growth of grass in the treated areas.

#### WEEDS AND BRUSH CONTROLLED

VETERAN 10G Herbicide, when applied in accordance with this label, will give control or growth suppression of many BIENNIAL and PERENNIAL broadleaf weeds as well as many WOODY brush and vines including:

#### BIENNIAL AND PERENNIAL BROADLEAVES

Bindweed, Field  
Blueweed, Texas  
Bursage, Skeletonleaf  
(Bur Ragweed, Povertyweed)  
Bursage, Woolyleaf  
(Lakeweed)  
\*Fern, Bracken  
Knapweed, Russian  
Nightshade, Silverleaf  
Ragwort, Tansy  
Sowthistle, Perennial  
\*Spurge, Leafy  
Starthistle, Yellow  
Thistle, Artichoke  
Thistle, Bull  
Thistle, Canada

\*Noted weeds require higher rates of VETERAN 10G than other listed weeds. See APPLICATION RATES AND TIMING section of this label.

#### WOODY BRUSH AND VINES

Creosotebush  
Elm, Siberian  
Kudzu  
Olive, Autumn

In most cases these treatments will not control weed seedlings which germinate one to two years after treatment. Once the effect of the herbicide has been lost, a follow-up program for seedling control or other cultural practices should be instituted. Do not apply more than 20 pounds of VETERAN 10G per treated acre per year.

#### STORAGE AND DISPOSAL

**PROHIBITIONS:** Do not contaminate water, food or feed by storage or disposal.

**STORAGE:** Store in original container in a well-ventilated area away from fertilizer, feed or foodstuffs and separated from other pesticides.

**PESTICIDE DISPOSAL:** Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Triple rinse (or equivalent) plastic pails. For paper or plastic bags, or for fiber drums with liners, completely empty into application equipment by shaking and tapping container. Offer pails or drums for recycling or reconditioning or puncture before disposal. Dispose of bags, liners, or punctured containers in sanitary landfill or by incineration, or if allowed by State and local authorities, by burning. If burned, stay out of smoke.

#### LIMITATION OF WARRANTY AND LIMITATION OF LIABILITY

**NOTICE:** Read this Limitation of Warranty and Limitation of Liability before buying or using this product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Riverdale or seller. All such risks shall be assumed by buyer or user. Riverdale warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, under normal use conditions, subject to the risks described above. Riverdale makes no other express or implied warranty of fitness or of merchantability or any other express or implied warranty. In no event shall Riverdale or seller be liable for any incidental, consequential or special damages resulting from the use or handling of this product. The exclusive remedy of the user or buyer, and the exclusive liability of Riverdale or seller for any and all claims, losses, injuries or damages (including claims based on breach of warranty, contract, negligence, tort, strict liability or otherwise) resulting from the use or handling of this product, shall be the return of the purchase price of the product or, at the election of Riverdale or seller, the replacement of the product. Riverdale and seller offer this product, and buyer and user accept it, subject to the foregoing limitations of warranty and limitation of liability, which may not be modified by any oral or written agreement.
