Subject: Menace Nursery Granular Insecticide
EPA Reg. No. 228-454
Label notification – Modification of Self-Limiting statement per PR98-10

Dear Ms. Hobgood:

Nufarm Americas, Inc is modifying a self-limiting statement on the subject product's labeling, where the phrase " For Agricultural and Commercial Use Only" has been modified to read "For Agricultural Use Only".

We are modifying the self-imposed phrase as per the North Dakota Department of Agriculture who states such phrases on pesticide labels are difficult to enforce. Without the modification mentioned above, North Dakota will not register the product. We believe this notification is consistent with PRN98-10 section II (Labeling notifications). The change is highlighted for ease in review. Nufarm Americas certifies that no other changes to the label have been made.

To process this request please find enclosed the following:

- Application for Pesticide Registration (EPA form 8570-1)
- Revised labeling with areas of change clearly identified (1 copy)
- Revised labeling – clean (1 copy)

If you should have any questions regarding this matter, please feel free to contact me at 630.455.2017 or email at george.meindl@us.nufarm.com.

Sincerely,

George Meindl
Registration Manager
