

# CDB Clearon®

## Fabric and Diaper Sanitizer

### PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

#### Danger

Highly corrosive. Causes skin and eye damage. May be fatal if swallowed. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Irritating to nose and throat. Avoid breathing dust. Remove and wash contaminated clothing before reuse.

### ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not discharge into lakes, streams, ponds, or public waters unless in accordance with an NPDES permit. For guidance contact your regional office of EPA.

### PHYSICAL AND CHEMICAL HAZARDS

Strong oxidizing agent. Mix only with water. Use clean utensils. Do not add this product to any dispensing device containing remnants of any other product. Such use may cause a violent reaction leading to fire or explosion. Contamination with moisture, organic matter or other chemicals may start a chemical reaction with generation of heat, generation of hazardous gases and possible generation of fire explosion. In case of contamination or decomposition do not reseal container. If possible isolate container in open air or well-ventilated area. Flood with large volume of water if necessary.

#### Active Ingredients

Sodium Dichloro-s-triazinetriene  
Dihydrate ..... 18.0%  
Inert Ingredients.....82.0%  
Provides 10.1% available chlorine

### KEEP OUT OF REACH OF CHILDREN DANGER

#### Practical Treatment FIRST AID

If swallowed: Feed bread soaked in milk followed by olive oil or cooking oil. Call a physician immediately.  
If on skin: Brush off excess chemical and flush skin with cold water for at least 15 minutes. If irritation persists get medical attention.  
If in eyes: Flush with cold water for at least 15 minutes. Get medical attention.

EPA Reg. No. 230-74  
EPA Est. No. 230-WVA-01

CDB Clearon® - Trademark of FMC Corporation

CDB Clearon Fabric and Diaper Sanitizer is recommended for stain removal and reduction of ammonia causing bacteria in institutional and commercial laundering of fabrics and diapers.

### DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling.  
Wet fabrics or diapers should be spin dried before the sanitizer is applied. Four (4) oz. of CDB Clearon Fabric and Diaper Sanitizer should be added for each 16 gallons of wash water load. Run this solution in the pre-wash, followed by the regular wash cycle with good detergent. The above application gives 200 ppm available chlorine in the pre-wash cycle.  
The sanitizing solution should be used promptly after mixing. If the solution is allowed to stand or is reused and tests show the level of chlorine has not been maintained, additional CDB Clearon Fabric and Diaper Sanitizer should be added, to give 200 ppm available chlorine in the pre-wash cycle.

### STORAGE AND DISPOSAL

Keep product dry in tightly closed containers when not in use. Store in a cool dry, well-ventilated area away from heat or open flame. In case of a decomposition isolate container, if possible, and flood with large amounts of water to dissolve all material before discarding. Place in trash collection or dispose in approved landfill area or bury in a safe place.
