

ENVIRONMENTAL PROTECTION AGENCY  
OFFICE OF PESTICIDES PROGRAMS  
REGISTRATION DIVISION (TS 767)  
WASHINGTON, DC 20460

REGISTRATION NUMBER: 230-79  
TERM OF REGISTRATION: 5/1/77 TO 5/1/82

NOTICE OF PESTICIDE:  Reregistration  
 New Registration  
*(Under the Federal Insecticide, Fungicide,  
and Rodenticide Act, as amended)*

NAME OF PESTICIDE PRODUCT:  
**Olin CDB 90 Dry Chlorinated  
Compound 7 Ounce Tablets**

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Olin Corporation  
350 Knotter Drive  
Cheshire, CT 06410

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

Based on your response to the Reregistration Eligibility Document, EPA has reregistered the above named product subject to the comments recorded in the succeeding paragraph. This action is taken under the authority of section 4(g)(2)(C) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended. Reregistration under this section does not eliminate the need for continual reassessment of pesticides. EPA may require submission of data at any time to maintain the registration of your product.

Make the following changes before you release the product for shipment:

1. Revise the precautionary and practical treatment statements in your labeling in accordance with the enclosed Attachment A.
2. Change First Aid (Practical Treatment) to read: Statement of Practical (First Aid)
3. On the center panel, delete the wordings "...& related compounds...".

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL

DATE

4. On the right panel, and after "Do not induce vomiting" add "...Avoid alcohol...".

A stamped copy of the product label is enclosed for your records.

Submit one copy of the final printed labeling before releasing the product in channels of trade with the revised labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

**DIRECTIONS FOR USE:** It is a violation of federal law to use this product in a manner inconsistent with its labeling. For formulation into end-use products intended for disinfectants, sanitizers, fungicides, bactericides and algacides for pools, spas, hot tubs, industrial recirculating water cooling towers, air washers and evaporative condensers, sewage treatment food contact surfaces, laundry and egg sanitizing. Formulators using this product are responsible for obtaining EPA registration of their formulated products.

**STORAGE AND DISPOSAL:** Keep product dry in tightly closed container when not in use. Store in a cool dry well-ventilated area away from heat or open flame. Do not reuse empty container. Rinse empty container thoroughly with water to dissolve all material before discarding. Securely wrap container in several layers of newspaper and discard in trash.

**EMERGENCY HANDLING:** In case of contamination or decomposition do not reseal container. If possible, isolate container in open and well-ventilated area. Flood with large volumes of water. Dispose of contaminated material in an approved landfill area.

**PRECAUTIONARY STATEMENTS - HAZARDS TO HUMANS AND DOMESTIC ANIMALS. DANGER:** May cause skin and eye damage. May irritate eyes, nose, throat, and skin. Do not get in eyes, on skin, or on clothing. Do not use with bare hands. Wear goggles, gloves, and rubber gloves and only those protective devices when handling. Irritating to skin. Avoid breathing dust and fumes. Wash contaminated clothing before reuse.

**FIRST AID (Practical First Aid):** Drink large quantities of water. If vomited, do not vomit. Call a physician. If swallowed, mucosal damage may continue. If on skin, flush with water. If on skin with cold water for at least 15 minutes. If persists, get medical attention. If in eyes, flush with cold water for at least 15 minutes. Get immediate medical attention. If inhaled, get immediate medical attention.

**CHEMICAL HAZARD:** Oxidizing agent. Use only in water. Contamination of water (e.g., calcium compounds) or any other chemicals may cause a chemical reaction with generation of hazardous gases and possible explosion. Avoid any contact with combustible material such as a lighted match. Do not use product in any chlorinating system with any inorganic or organic compounds (e.g., calcium compounds) which may cause fire or explosion.

**ENVIRONMENTAL HAZARD:** Toxic to fish and aquatic organisms. Do not discharge effluent containing this product into streams, estuaries, oceans or other bodies of water. This product is specifically identified on NPDES permit. Do not discharge this product to sewer system. For more information, notifying the sewage treatment plant, contact your State Office of the EPA.
