Walnuts deleted

ANTIDOTE FOR ARSENIC: Give a tablespoonful of salt in a glass of warm water and repeat until vomit fluid is clear. Then give two tablespoonfuls of Epsom salts or milk of magnesia in water and plenty of milk and water. Have victim lie down and keep quiet. CALL A PHYSICIAN IMMEDIATELY.

DANGER:

- KEEP OUT OF REACH OF CHILDREN
- DO NOT INHALE
- DO NOT GET ON SKIN
- DO NOT TAKE INTERNALLY

DANGER:

Poisonous if swallowed. Avoid breathing dust or spray mist. Avoid contact with skin, eyes, or clothing. Wash thoroughly after using. Do not apply to food crops within 30 days of harvest unless otherwise specified. Remove residues remaining at harvest by washing, wiping or other suitable means. Avoid contamination of forage crops and pasture. Do not apply under conditions involving possible drift to food, forage or other plantings that might be damaged or the crops thereof rendered unfit for sale, use or consumption.

This product will be toxic to birds and other wildlife in treated areas as indicated. Apply this product only as specified on this label.

TO MIX: Put water in spray tank. Start the agitator. Slowly shake the required quantity of ORTHO Basic Lead Arsenate into the water until a uniform mixture is made. Keep the solution constantly agitated while spraying. When combining with ORTHO Oil Sprays follow mixing directions on label.

CONDITIONS OF SALE: 1. Chevron Chemical Company (Chevron) warrants that this material conforms to the chemical description on the label and is reasonably fit for use as directed hereon. Chevron neither makes, nor authorizes any agent or representative to make, any other warranty of FITNESS or of MERCHANTABILITY, guarantee or representation, express or implied, concerning this material.

2. Critical and unforeseeable factors beyond Chevron's control prevent it from eliminating all of its competition with the use of chemical pesticides. Such factors include, but are not limited to, damage to plants and animals which may result from the application of pesticides, and damage to crops and pasture from other causes. Chevron warrants that this material conforms to the uses stated hereon and even though label directions are followed, users assume their own responsibility for the results of their use of this material. Chevron does not warrant that this material will be effective against all insects and other pests.
