PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS

DANGER: Causes severe eye damage and skin irritation. May be fatal if swallowed or absorbed through the skin. Do not get in eyes, on skin, or on clothing. Wear rubber gloves and goggles or face shield when handling concentrate. Avoid breathing dust or spray mist. Wash thoroughly after handling. Do not use on food or feed crops. Keep children and animals away from treated areas until spray has dried. Avoid contamination of feed or foodstuffs. **STATEMENT OF PRACTICAL TREATMENT:** In case of eye contact, immediately wash eyes with fresh water for 15 minutes and see a doctor. For skin contact, wash immediately with soap and water. See a doctor if irritation occurs. If swallowed and the person is conscious, give a large amount of water to drink, make person vomit and call a doctor immediately. **State to Physicians:** Emergency Information - call (415) 233-3737. This product contains light hydrocarbon liquid and an aspiration hazard may exist.

ENVIRONMENTAL HAZARDS: This product is toxic to fish, birds and other wildlife. Do not apply directly to water. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes. This pesticide is highly toxic to bees exposed to direct treatment or to residues on the treated area. Do not apply when bees are actively visiting the crop, cover crop, or weeds blooming in the treatment area. Applications should be timed to provide maximum possible interval between treatment and the first period of bee activity. **PHYSICAL OR CHEMICAL HAZARDS:** Flammable. Keep away from heat and open flame.

STORAGE AND DISPOSAL: Keep pesticide in original container. Do not put concentrate or dilute into food or drink containers. Avoid contamination of feed and foodstuffs. Store in a cool, dry place, preferably in a locked storage area. Do not store diluted spray.

DISPOSAL - PRODUCT: Partially filled bottle may be disposed of by securely wrapping original container in several layers of newspaper and discard in trash. **CONTAINER:** Do not reuse empty bottle. Recycle only before discarding in trash.
