

ORTHO

PHALTAN[®]
Rose & Garden
Fungicide

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL CAUTIONS AND DIRECTIONS.
KEEP PESTICIDE IN ORIGINAL CONTAINER. DO NOT PUT CONCENTRATE OR DILUTE INTO FOOD OR DRINK CONTAINERS.

Use PHALTAN Rose & Garden Fungicide diluted in water as indicated below. Where extra wetting is desired, combine with ISOTOX Insect Spray at 1 Tablespoonful per gal. For best results, apply with an ORTHO SPRAY-ETTE or power sprayer. To use, mix designated amount of PHALTAN Rose & Garden Fungicide in a little water to make a thin, smooth paste then add required amount of water. Agitate during application. Use mixture at once. Do not allow to stand.

Plants	Diseases	Comments
Ros.	Black Spot Powdery Mildew	Use 1 level Tablespoonful to 1 gal. water. Apply when young leaves first appear. Repeat at 7 to 10-day intervals or as necessary throughout season. Do not spray during periods of excessively high temperatures (above 90° F.) as injury may occur. To improve wetting for mildew control, combine with ISOTOX Insect Spray, but do not use other wetting agents.
Chrysanthemums.	Leaf Spot (Septoria)	Use 1½ Tablespoonfuls to 1 gal. water. Start treatments immedi-
