A 70 SECOND SUPERIOR OIL

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH CAUTIONS, WARNINGS AND DIRECTIONS, AND WITH APPLICABLE STATE AND FEDERAL REGULATIONS.

KEEP RESIDUE IN ORIGINAL CONTAINER. DO NOT PUT CONCENTRATE OR OILS INTO FOOD OR DRINK CONTAINERS.

VOLCK 70 Supreme is a highly refined emulsive oil spray especially formulated for early season use on deciduous fruit trees. The base oil in this quality product lies entirely within the designation for 70 second superior type spray oils. The high degree of refinement and distillation has removed the less desirable oil fractions and impurities leaving only that portion which provides superior mite and scale killing power combined with maximum tree safety. Special emulsifiers allow an improved and unique emulsification system that affords optimum oil deposits.

DIRECTIONS

USE DESIGNATED AMOUNT OF PRODUCT IN THE FOLLOWING GALLONS WATER PER ACRE UNLESS OTHERWISE NOTED:

GROUND APPLICATION—Vegetable and Field Crops—Use 1.5 to 2.0 gals. Deciduous Fruit Crops—Use 2.0 gals. (On Young Fruit Plantings—Use 1.0 to 1.5 gals. water per acre.)

AMOUNTS GIVEN ARE FOR THE US CUSTOMARY SYSTEM.
