PRECAUTIONARY STATEMENTS

HAZARD TO HUMANS & DOMESTIC ANIMALS

CAUTION

Caution should be exercised in handling. Harmful if swallowed. Avoid breathing dusts or vapors. Avoid contact with eyes. Wash thoroughly with soap and water. If you experience any symptoms, consult your physician. For more information, contact the manufacturer.

Note to Physicians: Emergency Telephone No. 415 239 4737

ENVIRONMENTAL HAZARDS

This product is toxic to fish, birds and other wildlife. Keep out of lakes, streams or ponds. Do not apply where drift may reach water. Do not apply when weather conditions favor drift from area treated. Do not contaminate water by leaking of equipment or disposal of wastes.

This product is highly flammable. Keep away from heat, sparks, open flames, etc. Preventive information may be obtained from the National Fire Protection Association.

PHYSICAL OR CHEMICAL HAZARDS

COMBUSTIBLE. KEEP OUT OF REACH OF CHILDREN. DO NOT USE ON STORE near heat, open flame, sparks, etc. Do not use in well ventilated area. Keep container closed. Clean up spills immediately. Liquid evaporates and forms vapor flames which can catch fire and burn with explosive violence. Invisible vapors, reads early and can be set on fire by many sources such as pilot lights, welding equipment and electrical motors and switches. Fire hazard is greater as liquid temperature rises above 85°F. **DO NOT** weld, heat or drill this container. Replaced caution during emptying. Container still contains hazardous or explosive vapors.

DIRECTIONS FOR USE

Follow all applicable Federal laws with this product in a manner consistent with the label.

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONARY STATEMENTS AND DIRECTIONS, AND WITH APPLICABLE FEDERAL AND STATE REGULATIONS.

STORAGE AND DISPOSAL

PROHIBITIONS

Do not contaminate water, food or feed by storage, disposal or cleaning of equipment. Open dumping is prohibited.

STORAGE

Keep pesticide in original container. Do not put into food or drink containers. Store tightly closed.

PESTICIDE DISPOSAL

Pesticide spray mixture or concentrate cannot be used. Chemically regenerated should be disposed of in a landfill approved for pesticides or buried in a safe place away from water supplies.

CONTAINER DISPOSAL

Refer to local, state and federal regulations for recycling, reconditioning, or disposal in approved landfill or bury in a safe place.

GENERAL

Consult federal, state or local official authorities for approval of alternate procedures.

DIRECTIONS

DIBROM Fly & Mosquito Spray is suitable for use in: Exit Gullies, Mosquito Foggers, Heat Generating Foggers, Dairy Barn Foggers, Hydro-Guns or suitable automatic atomizing application equipment. May corrode metal spray equipment. Flush sprayers out occasionally with kerosene to prevent possible corrosion.

USE UNDILUTED - Apply as a finely atomized space spray using application adjusted to produce particle size not smaller than 30 microns.

GENERAL USE - In and Around Dwellings, Open Air Theaters, Restaurants, Drive-ins, also in and around Dairy Barns, Livestock Barns, Pig Pens, Poultry Houses, Feed Lots, Cattle Pens, Horse Stables, Garbage Dumps, Outside Meat Packing Establishments (including Federally Inspected) for Control of Resistant and Nonresistant House Flies, Lesser House Flies, Mosquitoes, Gnats, Direct spray throughout the fly infested areas, spraying around and above animals but not directly at animals. Repeat as necessary. Do not use in milk processing rooms. Do not use fog applications in dwellings and restaurants. Do not use in edible products areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

DIARY BARN FOGGERS - Resistant and Nonresistant House Flies, Lesser House Flies, Mosquitoes, Gnats. Use approximately 1oz of DIBROM Fly & Mosquito Spray to 3000 cubic feet of space. Close all doors and windows where possible before fogging. Cows may be in barn during fogging operations. Apply around and above animals, but not directly at animals. Do not use in milk processing rooms.

POULTRY PROCESSING AND PACKING PLANTS - Around Outside and in Inedible Product Areas Inside Buildings - Direct spray throughout the fly infested areas. Repeat as necessary. Exposed food products and packaging materials must be removed from the room or protected. After using this material, equipment and utensils must be thoroughly washed with potable water before operations are resumed.

WINNERIES, CANNERIES, CIDER MILLS, FOOD PROCESSING PLANTS, LOADING DOCKS, CULL PILES, REFUSE AREAS - Drosophila (Fruit Fly) - Spray as necessary contact walls, floors, doorways, windows, refuse piles and cull piles except those for stock feed. Avoid contamination of feeds, foodstuffs and food processing machinery.

ROACHES (Water Bugs) - Spot Application Only for Control of All Species of Resistant and Nonresistant Cockroaches including German, Brownbanded, Oriental and American Roaches in and Around Dwellings, Dairy Barns and Other Buildings Where Roaches Exist - Apply as a coarse spray to areas infested with roaches to contact insects as much as possible. Treat daily or as necessary applying to cracks, crevices, hiding places and adjacent exposed surfaces where insects may be contacted.

CONDITIONS OF SALE 1. Chevron Chemical Company (Chevron) warrants that this material conforms to the chemical description on the label and is reasonably fit for use as directed hereon. Chevron neither makes nor authorizes any agent or representative to make any other warranty of FITNESS or of MERCHANTABILITY, guarantee or representation, express or implied, concerning this material. 2. Critical and unforeseeable factors beyond Chevron's control prevent or eliminate all risks in connection with the use of chemicals. Such risks include, but are not limited to, damage from application, lack of complete control, and damage caused by drift. Such risks occur even though the product is reasonably fit for the uses stated hereon and even though label directions are followed. Buyer and user acknowledge and assume all risks and liability except those assumed by Chevron under the above resulting from the handling, storage, and use of this material.
