Ortho Systemic Rose & Flower Care 8-12-4
EPA Registration No. 239-2134
Your Application Dated May 9, 1984

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) is acceptable, provided that you make the labeling changes listed below before you release the product for shipment bearing the amended labeling:

1. Add "or before smoking or eating" to "wash thoroughly after handling."
2. Add "If inhaled" advice to the Statement of Practical Treatment. The Hazards to Humans & Domestic Animals section warns "Do not breathe dust."
3. Delete "Directions" under "read entire label," etc; the correct heading Directions for Use already appears directly above.
4. You may wish to add "Wear rubber gloves when handling" immediately under "Do not touch" to reinforce the "avoid contact with hands" which appears only in the on established lower directions.
5. Delete reference to "concentrate or dilute" and "Do not store diluted spray." This is a ready-to-use ornamental product.

AMENDMENT 1.

-2-

submit five (5) copies of your revised final printed labeling before you release the product for shipment with the amended labeling.
