Protects and feeds rose bushes and ornamental plants in one easy step. Two-in-one product contains an insecticide and all the [11/15/96] primary nutrients your roses and plants/flowers need for strong growth and beautiful blooms. Feeds and protects against insects for up to 6 weeks. Treats your roses in minutes[seconds]. Simply apply the granules around the base of the plant, mix into the soil, and water. The product is absorbed into the plant through the roots and will not be washed off by rain or watering. Even new growth is fully protected from insect damage. Feeds and protects up to 40 roses [5 lb. size/1 rose - 2 oz.; 16 roses - 2 lbs size; 80 roses - 10 lb size; 96 roses - 12 lb size [11/15/96]
