ORTHO DIFOLATAN BOTRAN 35-35 Seed Protectant is a special formulation developed for dust application to peanut seed. It is used to prevent seed rot and damp-off diseases, including Rhizopus and Aspergillus spp., attacking germinating seeds and seedlings.

DIRECTIONS

PEANUTS: Use 5 ounces per 100 pounds of seed. Apply with standard commercial treating machine designed for dust formulations and providing uniform coverage of treated seed.

READ THE LABEL

KEEP OUT OF REACH OF CHILDREN

WARNING: Harmful If Swallowed. Some people are allergic to this chemical. Avoid contact with eyes, skin and clothing. Contact may cause irritation and allergic reaction. Persons engaged in treating, bagging or handling treated seed may become sensitized and suffer from allergic contact dermatitis. In case of contact, wash skin and eyes with plenty of water. For irritation, prompt medical attention. Do not store or transport feed or food. Do not use treated seed for human consumption. Seeds treated with ORTHO DIFOLATAN BOTRAN 35-35 Seed Protectant, sold or shipped as feed or food stuffs, may be considered adulterated under state and federal laws. Treated seed should be labeled as follows: "TREATED SEED. DO NOT USE FOR FOOD, FEED OR OIL."

This product is toxic to fish. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes.

CONDITIONS OF SALE: 1. Chevron Chemical Company (Chevron) warrants that this material conforms to the chemical description on the label and is reasonably fit for use as directed hereon. Chevron neither makes, nor authorizes any agent or representative to make, any other warranty of FITNESS or of MERCHANTABILITY, guarantee or representation, express or implied, concerning this material.

2. Critical and unforeseeable factors beyond Chevron's control prevent it from eliminating all risks in connection with the use of chemicals. Such risks include, but are not limited to, damage to plants and crops to which the material is applied, lack of complete control, and damage caused by drift to other plants or crops. Such risks occur even though the product is reasonably fit for the uses stated hereon and even though label directions are followed. Buyer and user acknowledge and assume all risks and liability (except those assumed by Chevron under 1 above) resulting from handling, storage, and use of this material.
