### DIRECTIONS

This product is formulated for application by ground or air equipment.

**CAUTION**

## READ THE LABEL

KEEP OUT OF REACH OF CHILDREN

**CAUTION:** Harmful if swallowed. May cause irritation of eyes, nose and throat. Avoid breathing dust. Avoid contact with skin and eyes. Wash thoroughly after using.

**Note to Physicians:** Emergency Information - call 415-233-3737.

Do not store or transport near food or feed. May corrode metal dust equipment; clean equipment after use. Do not apply under conditions involving possible drift to food, forage or other plantings that might be damaged or the crops thereof rendered unfit for sale, use or consumption.

This product is toxic to fish, birds and other wildlife. Bird feeding in treated areas may be killed. Keep out of lakes, streams or ponds. Do not apply where runoff is likely to occur. Do not apply when weather conditions favor drift from areas treated. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

This product is highly toxic to persons exposed to direct treatment of rodents and birds. Protective information may be obtained from your cooperative Agricultural Extension Service.

**STRAWBERRIES:** Botrytis Rot, Red Spider Mites, Aphids, Spittle Bug, Two-Spotted Mite, Pacific Mite—40 to 50 lbs. per acre. Make first application when new growth starts in spring before fruit starts to form. Repeat application weekly. Do not apply within 4 days of harvest.

**COMPATIBILITY:** Do not use this product on foliar sprays following oil sprays.

**CONDITIONS OF SALE:** 1. Chevron Chemical Company. Chevron warrants that this material conforms to the chemical description on the label and is reasonably fit for use as directed hereon. Chevron neither makes, nor authorizes any agent or representative to make any other warranty of FITNESS FOR MERCHANT-BILITY, guarantee or representation, express or implied, concerning this material.

2. Critical and/or foreseeable factors, such as variations in control, resistance to pest, or other factors, may result in limited damage to plants and crops to which this material is applied, lack of complete control, or damage caused by drift to other plants or crops. Such factors may occur even though the product is reasonably fit for the use intended. Chevron and its agents, employees and representatives do not warrant, and do not acknowledge and assume all responsibility except those assumed by Chevron under Federal, State and local laws, regulations, and use of this material.
