**NET WT. 15 OZ.**

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS & DOMESTIC ANIMALS**

**CAUTION:** May be harmful if swallowed, inhaled, or absorbed through the skin. Avoid breathing of spray mist and provide adequate ventilation of area being treated. Avoid contact with skin, eyes, or clothing. Do not allow children to contact treated surface until surfaces are completely dry. Avoid contamination of food, utensils, and food preparation areas. Do not use in commercial food preparation areas or in edible products areas of food processing plants. Remove pets and cover aquaria in areas to be treated. Wash thoroughly with soap and warm water after handling. **STATEMENT OF PRACTICAL TREATMENT:** If swallowed, give large amount of water to drink, make person vomit and call a doctor. In case of eye contact, wash eyes immediately with fresh water for at least 15 minutes. See a doctor if irritation persists. In case of skin contact wash with plenty of soap and water. **Note to Physicians—Emergency Information—** call 1-800-233-3733. Atropine sulfate is antidote.

**ENVIRONMENTAL HAZARDS:** This product is toxic to fish and wildlife. Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes. **PHYSICAL OR CHEMICAL HAZARDS:** Flammable. Contents under pressure. Keep away from heat, sparks and open flame. Exposure to temperatures above 130°F may cause bursting.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONARY STATEMENTS AND DIRECTIONS.**

ORTHO Ant, Roach & Spider Spray is a highly effective formulation which provides rapid kill of such crawling insects as listed below, including those resistant to certain chlorinated hydrocarbon and phosphate insecticides:

Ants	Crickets	Roaches	Sowbugs
Brown Dog Ticks	Earwigs	Silverfish	Spiders

In addition to rapid initial kill, ORTHO Ant, Roach & Spider Spray stays on treated surfaces and provides residual insect killing power after the spray deposit has dried.

**HOW TO USE:** Spray infested surfaces until wet, moving the spray stream rapidly to prevent excessive wetting of surfaces, and waste of material. Point spray away from people, plants and pets.

**RESTRICTIONS:** Do not apply to rugs, carpets, asphalt tile, draperies, wallpaper or similar materials that may be stained. Avoid excessive wetting of plastic and rubber surfaces such as tiles and floor coverings.

**DIRECTIONS**

**ANTS, COCKROACHES, CRICKETS, SILVERFISH, SPIDERS—INDOORS:** Spray into cracks, crevices, around baseboards, and other places where these insects hide. Apply behind and beneath cabinets, refrigerators, sinks, stoves, and in and around waste containers. Spray ant trails and places where ants enter premises. Repeat as needed. Residual activity against roaches lasts from 4 to 6 weeks. **SUGGESTION:** For flushing crawling pests out of hiding, use ORTHO Hi Power Indoor Insect Fogger after applying this product.

**BROWN DOG TICKS:** Spray sleeping quarters of pets, around baseboards, window and door frames, wall cracks and local areas of floors. Repeat as needed. Fresh bedding should be placed in animal quarters after spraying. Do not spray animals.

**ANTS, CRICKETS, EARWIGS, SOYBUGS, and BROWN DOG TICKS—OUTDOORS:** Spray in infested areas thoroughly including outside surfaces of screens, doors, window frames, foundations, patios, or other places where insects may enter. For ants, spray hills and runways. Repeat as necessary. Do not spray vegetation.

**STORAGE AND DISPOSAL**

**STORAGE:** Store in a secure, preferably locked storage area away from heat or open flame.  
**DISPOSAL—PRODUCT:** Unused product may be disposed of by securely wrapping original container in several layers of newspaper and discard in trash. **CONTAINER:** Replace cap and discard container in trash. Do not incinerate or puncture.

**NOTICE:** Buyer assumes all responsibility for safety and use not in accordance with directions.
