

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS
DANGER**

Caution: This pesticide contains Methoxychlor, which is highly toxic to humans and domestic animals. It is highly irritating to the skin and eyes. Avoid contact with skin and eyes. Wash hands thoroughly after use. Wear a protective suit, gloves, and shoes. Do not eat, drink, or smoke while using this pesticide. Avoid breathing dust or fumes. Do not get this pesticide on your clothing. If you get this pesticide on your clothing, remove the clothing immediately. If you get this pesticide on your skin, wash the affected area immediately with plenty of water. If you get this pesticide in your eyes, flush the eyes immediately with plenty of water. If you get this pesticide on your face, wash the face immediately with plenty of water. If you get this pesticide on your hair, wash the hair immediately with plenty of water. If you get this pesticide on your mouth, spit out the material immediately and wash the mouth with plenty of water. If you get this pesticide on your hands, wash the hands immediately with plenty of water. If you get this pesticide on your feet, wash the feet immediately with plenty of water. If you get this pesticide on your clothes, wash the clothes immediately with plenty of water. If you get this pesticide on your shoes, wash the shoes immediately with plenty of water. If you get this pesticide on your car, wash the car immediately with plenty of water. If you get this pesticide on your house, wash the house immediately with plenty of water. If you get this pesticide on your furniture, wash the furniture immediately with plenty of water. If you get this pesticide on your food, wash the food immediately with plenty of water. If you get this pesticide on your drink, wash the drink immediately with plenty of water. If you get this pesticide on your pet, wash the pet immediately with plenty of water. If you get this pesticide on your child, wash the child immediately with plenty of water. If you get this pesticide on your baby, wash the baby immediately with plenty of water. If you get this pesticide on your pregnant woman, wash the pregnant woman immediately with plenty of water. If you get this pesticide on your nursing woman, wash the nursing woman immediately with plenty of water. If you get this pesticide on your child, wash the child immediately with plenty of water. If you get this pesticide on your baby, wash the baby immediately with plenty of water. If you get this pesticide on your pregnant woman, wash the pregnant woman immediately with plenty of water. If you get this pesticide on your nursing woman, wash the nursing woman immediately with plenty of water.

STATEMENT OF PRACTICAL TREATMENT
If swallowed, give 1-2 glasses of water immediately. If in eyes, flush with water. If on skin, wash with water. If on clothing, remove clothing. If on food, wash food. If on drink, wash drink. If on pet, wash pet. If on child, wash child. If on baby, wash baby. If on pregnant woman, wash pregnant woman. If on nursing woman, wash nursing woman.

Note to Physicians: Emergency information is on page 274.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and aquatic life.

DIRECTIONS FOR USE

Read entire label use strictly in accordance with precautions, statements and directions, and with applicable state and federal regulations.

READ ENTIRE LABEL USE STRICTLY IN ACCORDANCE WITH PRECAUTIONARY STATEMENTS AND DIRECTIONS, AND WITH APPLICABLE STATE AND FEDERAL REGULATIONS

STORAGE AND DISPOSAL

PROHIBITIONS

Do not use for food, feed or oil.

STORAGE

Store in original container in a cool, dry place.

PESTICIDE DISPOSAL

Do not use for food, feed or oil.

CONTAINER DISPOSAL

Do not use for food, feed or oil.

NET WEIGHT

THE FOLLOWING TABLE gives amounts of ORTHOCIDE Methoxychlor 65-10 Seed Protectant to use on various seeds.

SEED	Dosage Rate	Lbs. Seed Treated/Lb. of Product
BARLEY	1 1/2 oz. per 100 lbs.	1070
BUCKWHEAT	1 1/2 oz. per 100 lbs.	530
COFFEE	1 1/2 oz. per 100 lbs.	1070
CORN	1 1/2 oz. per 100 lbs.	800
COTTON	1 1/2 oz. per 100 lbs.	710
CYCLAM	1 1/2 oz. per 100 lbs.	915
FLAX	1 1/2 oz. per 100 lbs.	530
PEAS	1 1/2 oz. per 100 lbs.	800
PEANUTS	1 1/2 oz. per 100 lbs.	710
RAPESEED	1 1/2 oz. per 100 lbs.	1070
RYE	1 1/2 oz. per 100 lbs.	175
SUGAR BEETS	1 1/2 oz. per 100 lbs.	175
WHEAT	1 1/2 oz. per 100 lbs.	255
ALFALFA	1 1/2 oz. per 100 lbs.	915
CARROT	1 1/2 oz. per 100 lbs.	710
CELERY	1 1/2 oz. per 100 lbs.	460
CUCUMBER	1 1/2 oz. per 100 lbs.	265
EGGPLANT	1 1/2 oz. per 100 lbs.	130
KALE	1 1/2 oz. per 100 lbs.	175
LETTUCE	1 1/2 oz. per 100 lbs.	460
POTATO	1 1/2 oz. per 100 lbs.	175
SQUASH	1 1/2 oz. per 100 lbs.	175
TOMATO	1 1/2 oz. per 100 lbs.	175
ZUCCHINI	1 1/2 oz. per 100 lbs.	175

DO NOT USE FOR FOOD, FEED OR OIL

CONDITIONS OF SALE: 1. Chevron Chemical Company (Chevron) warrants that this material conforms to the chemical description and is reasonably fit for use as directed hereon. Chevron does not warrant, nor authorizes any agent or representative, to make any other warranty of FITNESS or of MERCHANTABILITY. No representation, express or implied, can be made by Chevron or its agents.

Chevron is not responsible for factors beyond Chevron's control which may result in injury or damage in connection with the use of this material. Such factors are not limited to, damage to crops or animals to which the material is applied, lack of compatibility of the material with other substances, damage caused by drift to other plants or animals, or injury to humans or animals, even though the product is reasonably fit for use as directed hereon, and even though label directions are followed. The user must acknowledge and assume all risks and liabilities which may be incurred by Chevron under the above conditions of sale, storage, and use of this material.
