Kills Snails & Slugs

Remains effective after rain or sprinkling.

Active Ingredient	By Wt.
Metaldehyde	3.25%
Inert Ingredients	96.75%

READ ENTIRE LABEL USE STRICTLY IN ACCORDANCE WITH LABEL CAUTIONS, WARNINGS AND DIRECTIONS. KEEP PESTICIDE IN ORIGINAL CONTAINER

DIRECTIONS: If ground is dry, water area to be treated thoroughly. Toss the pellets around flowers, ornamental plants and lawn areas. Apply one pound of pellets to each 1000 sq ft. Apply only to soil surface around plants. Do not apply to foliage or other plant parts. Do not apply where food crops are grown. Always wear protective gloves.

Bait areas likely to be infested at the beginning of the spring planting season before damage occurs. Treatment every two weeks should give satisfactory control. Under conditions of frequent watering and high temperatures it may be necessary to treat more often.

ORTHO

BUG-GETA Snail & Slug Pellets is specially formulated to attract and control snails and slugs. The highly compressed pellets are easy to use, clean to handle and economical. 1 lb. of BUG-GETA Snail & Slug Pellets will bait 1000 sq. ft.

The presence of snails and slugs can be detected by their shiny mucous-like trail. They are night feeders and prefer damp, cool places in the ornamental garden, flowers, under boards or flower pots and around fences, hedges and bushes.

DRY, COMPRESSED PELLET

WET, EXPANDED PELLET

Sprinkle lightly with water after application. Each compressed pellet when moistened from wet ground, rain or water expands into an efficient pest-attracting mound of bait, which is less attractive to children or pets.

GREENHOUSES AND LATH HOUSES: Distribute pellets on and beneath benches, but do not place in pots or flats unless plants are well established. Keep pellets from coming in contact with plants. If soil is dry, irrigate prior to or sprinkle lightly after distributing pellets.

BUG-GETA[®] Snail & Slug Pellets

WARNING: May be fatal if swallowed. Avoid breathing dust. Avoid contact with skin, eyes, or clothing. Wash thoroughly after using. Avoid contamination of feed and foodstuffs. Keep out of reach of children and domestic animals. Dispose of container promptly when empty.

This product may be toxic to wildlife. Birds feeding on treated areas may be killed. Do not contaminate water by cleaning of equipment, or disposal of wastes. Apply this product only as specified on this label.

IMPORTANT: KEEP PELLETS AWAY FROM DOGS, PETS AND CHILDREN. BAIT MAY BE ATTRACTIVE TO DOGS. USE AND STORE UNDER CONDITIONS WHERE THERE WILL NOT BE A HAZARD.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
