NET WT. 1 LB.

ORTHO BUG-GETA® Snail & Slug Pellets

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONARY STATEMENTS AND DIRECTIONS.

DIRECTIONS: If ground is dry, water area to be treated thoroughly. Do not place pellets in piles. Scatter the pellets around flowers, ornamental plants and lawn areas. Apply one pound of pellets to each 1000 sq. ft. Apply only to soil surface around plants. Do not apply to foliage or other plant parts. See back panel for directions for use around fruits and vegetables. Always wear protective gloves.

Bait areas likely to be infested at the beginning of the spring planting season before damage occurs. Treatment every two weeks should give satisfactory control. During periods of high rainfall or frequent waterings, it may be necessary to treat more often.

STORAGE AND DISPOSAL: **STORAGE:** Keep pesticide in original container. Do not put concentrate or dilute into food or drink containers. Avoid contamination of feed and foodstuffs. Store in a cool, dry place, preferably in a locked storage area.

DISPOSAL: **PRODUCT:** Partially filled carton may be disposed of by securely wrapping original container in several layers of newspaper and discard in trash. **CONTAINER:** Do not reuse carton. Discard carton in trash.

BUG GETA Snail & Slug Pellets is specially formulated to attract and control snails and slugs. The highly compressed pellets are easy to use, clean to handle and economical. 1 lb. of BUG-GETA Snail & Slug Pellets will bait 1000 sq. ft.

The presence of snails and slugs can be detected by their slimy mucous-like trail. They are night feeders and prefer damp, cool places in the ornamental garden, flowers, under boards or flower pots and around fences, hedges and bushes.

DRY, COMPRESSED PELLET

WET, EXPANDED PELLET

Sprinkle lightly with water after application. Each compressed pellet when moistened from wet ground, rain or water, expands into an efficient, pest attracting source of bait, which is less attractive to children or pets.

GREENHOUSES AND LATH HOUSES: Distribute pellets on and beneath benches, but do not place in pots or flats unless plants are well established. Keep pellets from coming in contact with plants. If soil is dry, irrigate prior to or sprinkle lightly after distributing pellets.

FRUITS AND VEGETABLES: To control snails and slugs around the following fruits and vegetables, apply to the soil surface around the plants. Do not contaminate edible parts.

FRUITS—Apples, Avocados, Blackberries, Cherries, Citrus, Grapes, Pearches, Plums, Strawberries.

VEGETABLES—Asparagus, Beans, Beets, Cabbage, Carrots, Corn, Cucumbers, Eggplant, Lettuce, Melons, Onions, Peas, Peppers, Potatoes, Radishes, Spinach, Squash, Tomatoes and Turnips.

BUG-GETA[®] Snail & Slug Pellets

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS & DO- MESTIC ANIMALS

CAUTION: Harmful if swallowed. Avoid breathing dust. Avoid contact with skin, eyes or clothing. Wash thoroughly after use. Keep out of reach of children and domestic animals. **IMPORTANT:** KEEP PELLETS AWAY FROM CHILDREN, DOGS AND PETS. BAIT MAY BE ATTRACTIVE TO DOGS. CONFINE PETS DURING APPLICATION TO PREVENT THEM FROM BELIEVING THEY ARE BEING FED. USE AND STORE UNDER CONDITIONS WHERE THERE WILL NOT BE A HAZARD. **STATEMENT OF PRACTICAL TREATMENT**

If swallowed, contact physician, Poison Control Center, or emergency clinic before inducing vomiting. Give water or milk to drink and induce vomiting by touching back of throat with finger, or by administering syrup of ipecac. Do not induce vomiting or give anything by mouth to an unconscious person. If medical advice cannot be obtained, take person and product container to the nearest emergency treatment facility. In case of eye contact, wash eyes immediately with fresh water for at least 15 minutes. See a doctor if irritation persists. For skin contact, wash skin with plenty of soap and water. If inhaled, remove person from exposure area.

Note to Physicians: Emergency information—call 1-800-457-2027.

ENVIRONMENTAL HAZARDS: Do not apply directly to water or wetlands (swamps, bogs, marshes, and potholes). Do not contaminate water when disposing of equipment washwaters.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
