See back panel for additional precautionary statements.

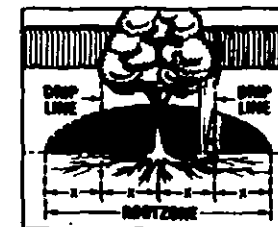

NET CONTENTS 1 QT.

ACCEPTED

SEP 25 1991

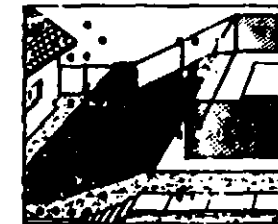

Under the Federal Insecticide,
Fungicide, and Rodenticide Act,
as amended, for the pesticide
registered under
EPA Reg. No. 239-2381

Do not apply closer than twice the distance
from the trunk to the drip line. Do not apply
next to a fence if desirable plants are growing
on the other side or if young plantings are
planned. Vertically cut through any roots ad-
jacent to root zone of desirable plants.

Note: Do not apply to areas shaded in red
as roots of desirable plants may be present.

Do not apply on slopes as herbicide may flow
down hill with runoff water.

Note: Do not apply to areas shaded in red
as runoff or leaching (movement through
soil) can damage nearby plantings down the
slope.
