PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

WARNING: Causes eye and skin irritation. Harmful if swallowed. Do not eat, drink, or use tobacco while using this product. Avoid contamination of food, utensils and food preparation area from area before spraying. Wash thoroughly with soap and warm water after use.

IMMEDIATE TREATMENT: If swallowed, DO NOT make person vomit. Immediately in case of skin contact, wash skin with soap and water. For eye contact, immediately wash eyes with fresh water for 15 minutes. See a doctor if eye and skin irritation persists. **Note to Physician:** Emergency information—call (416) 333-3143. This product contains a cholinesterase inhibitor, Azinphos-methyl. This product also contains a liquid and an aspiration hazard may exist.

ENVIRONMENTAL HAZARDS: Avoid contamination of fish ponds. **PHYSICAL HAZARDS:** Extremely Flammable. Contents under pressure. Do not use or store near sparks, heated surfaces or other sources of ignition. Do not puncture or incinerate. Exposure to temperatures above 130 F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONARY STATEMENTS AND DIRECTIONS.

Most bees and wasps are beneficial, however, when their nests are built too close to windows, doorways, or children's play areas, they may be dangerous and should be killed.

DIRECTIONS (FOR OUTDOOR USE ONLY) FOR CONTROL OF HORNETS, WASPS AND YELLOW JACKETS: Apply after dark when all of the insects have returned to the nest. Remove cap. Hold container in upright position; spray. Aim valve opening at nest, hold and depress button, soaking the entire nest with spray.

Spray jet will reach nests up to 20 feet above ground. Repeat as necessary. Avoid contact with eyes. Injury may occur. Do not use as a space spray. For outdoor use only. Do not use on asphalt, rubber, and plastic materials.

OTHER USES—OUTDOORS ONLY: For Control of Clover Mites, Crickets, Earwigs, Millipedes, Sewbugs, and Brown Dog Ticks. Spray infested areas thoroughly. Surfaces of screen frames, doors, window frames, foundations, patios or porches, or insects may enter or harbour. **FOR ANTS:** spray hills and runways. Repeat as necessary. Do not use as a space spray.

FOR SPIDERS—OUTDOORS ONLY: Spray directly on spiders and treat webs around porches, under eaves, along foundations, similar outdoor areas. Repeat as necessary. Spray may cause injury to flowers and ornamentals. Before using on easily damaged plants, test a small spot before giving full treatment.

STORAGE AND DISPOSAL

STORAGE: Store in a secure, preferably locked storage area away from heat and sunlight. **DISPOSAL:** Unused product may be disposed of by securely wrapping in several layers of newspaper and discard in trash.

CONTAINER: Replace cap and discard container in trash. Do not incinerate.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with label.
