NET WT. 1 LB.

ORTHO PEST-B-GON[®] Insect Bait

20/2

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL CAUTIONS AND DIRECTIONS.

KEEP PESTICIDE IN ORIGINAL CONTAINER.

DIRECTIONS

PEST-B-GON Insect Bait is a ready-to-use product that controls the listed pests that feed upon it or come in contact with it. It gives rapid kill of both resistant and nonresistant roaches.

WHEN TO USE

PEST-B-GON Insect Bait should be used anytime insect activity is noticed. Apply as directed below and repeat as necessary. Since most of the listed outdoor pests are night feeders, distribute bait in late afternoon or early morning.

HOW TO APPLY

FOR USE OUTSIDE TO CONTROL: Earwigs, Sowbugs, Roaches, Crickets, Millipedes, Pillbugs, Centipedes—Scatter bait lightly in a 2-4' band around house and porch foundations, under and around old boards, around plants, along edges of flower beds, walks, fences and other areas where pests congregate. Use approximately 4 ounces of bait per 1000 sq. ft. Repeat as necessary to control pests. **Do not apply directly to the foliage of ornamentals—apply bait to the soil around plants.** Do not water treated areas for at least 24 hours after application.

FOR USE IN HOMES, APARTMENT BUILDINGS, STORES, RESTAURANTS TO CONTROL: Earwigs, Roaches, Field Crickets—Apply bait lightly to floors under sinks and refrigerators and in other areas such as cracks and crevices where pests may hide but which are inaccessible to children. Use approximately 4 ounces of bait per 1000 sq. ft. of treated area. Scatter lightly so that bait is barely visible. Repeat as necessary.

IMPORTANT: Do not apply to animals. Do not treat portions of buildings where pets can feed on bait. Do not put bait in piles. Do not broadcast on floors inside or in areas outside that are likely to be contacted by children or pets.

KEEP OUT OF REACH OF CHILDREN

CAUTION: May be harmful if swallowed or absorbed through the skin. Do not breathe dust or vapors. Avoid contact with skin. Wash thoroughly after using. If poisoning occurs, get prompt medical aid.

Note to Physicians: Emergency Information—call (415) 233-3737. Atropine sulfate is antidotal.

Do not use on food crops. Do not contaminate feed or foodstuffs. Dispose of container promptly when empty. Do not reuse. Destroy it by burying with waste or burning. Stay away from smoke or fumes.

This product is toxic to fish and wildlife. Birds feeding on treated areas may be killed. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
