Ready-To-Use  
Granular Bait

# PEST-B-GON<sup>®</sup> Insect Bait

### PRECAUTIONARY STATEMENTS

#### HAZARDS TO HUMANS & DOMESTIC ANIMALS

**CAUTION:** May be harmful if swallowed or absorbed through the skin. Avoid contact with skin. Wash thoroughly after using. Do not use on food crops. Do not contaminate feed or foodstuffs. Do not apply to animals. Do not treat portions of buildings where pets can feed on bait. Do not put bait in piles. Do not broadcast on floors inside or in areas outside that are likely to be contacted by children or pets.

**STATEMENT OF PRACTICAL TREATMENT:** If swallowed give a large amount of water and induce vomiting. See a doctor immediately. If on skin, wash skin thoroughly with soap and water. If in eyes, irrigate eyes for at least 15 minutes. If irritation or discomfort persists, see a doctor. **Note to Physicians:** Emergency Information: call (415) 233-3737. Atropine sulfate is antidotal.

**ENVIRONMENTAL HAZARDS:** This product is toxic to fish and wildlife. Birds feeding on treated areas may be killed. Keep out of lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes.

#### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONARY STATEMENTS AND DIRECTIONS.**

#### DIRECTIONS

PEST-B-GON Insect Bait is a ready to use product that controls the listed pests that feed upon it or come in contact with it. It gives rapid kill of both resistant and nonresistant roaches.

#### WHEN TO USE

PEST-B-GON Insect Bait should be used anytime insect activity is noticed. Apply as directed below and repeat as necessary. Since most of the listed outdoor pests are night feeders, distribute bait in late afternoon or early morning.

#### HOW TO APPLY

**FOR USE OUTSIDE TO CONTROL Earwigs, Sowbugs, Roaches, Crickets, Millipedes, Pillbugs, Centipedes.** Scatter bait lightly in a 2-4' band around house and porch foundations, under and around old boards, around plants, along edges of flower beds, walks, fences and other areas where pests congregate. Use approximately 4 ounces of bait per 1000 sq. ft. Repeat as necessary to control pests. **Do not apply directly to the foliage of ornamentals — apply bait to the soil around plants.** Do not water treated areas for at least 24 hours after application. **Do not use on food crops.**

**FOR USE IN HOMES, APARTMENT BUILDINGS, STORES, RESTAURANTS TO CONTROL Earwigs, Roaches, Field Crickets.** Apply bait lightly in cracks, under sinks and refrigerators and in other areas such as basements and attics where pests may hide, which are inaccessible to children. Use approximately 4 ounces of bait per 1000 sq. ft. of treated area. Scatter lightly, so that bait is barely visible. Repeat as necessary.

#### STORAGE AND DISPOSAL

**STORAGE:** Keep pesticide in original container. Do not put concentrate in old ketchup, oil or drink containers. Avoid contact with other household products. Store in a cool, dry place, preferably in a locked storage area.

**DISPOSAL PRODUCT:** Partially filled containers may be disposed of by securely wrapping original container in several layers of newspaper and discard in trash.

**CONTAINER:** Do not reuse container. Discard container in trash.

**NOTICE:** Buyer assumes all responsibility for safety and use of this product in accordance with directions.
