

Rhodesgrass Scales: Mix 5 fl. oz. in 25 gals of water. Apply when crawlers first emerge.

Billbugs, White Grubs (such as Japanese Beetle Larvae, European Chafer, Southern Chafer): Apply 4 fl. oz. per 1000 sq. ft. of lawn. Water grass thoroughly after application. For grub control make application any time between late July and early October. For billbug control apply when activity is first observed or when chewed or brown grass is present, indicating damage from this insect.

NOTICE

Buyer assumes all risk of use, storage or handling of this material not in strict accordance with directions given herewith.

27 DEC 1988

Mr. William L. Chase
Chevron Chemical Company
Ortho Consumer Products Division
15049 San Pablo Avenue
P.O. Box 4010
Richmond, CA 94804-0010

Dear Mr. Chase:

Subject: Ortho Tomato & Vegetable Insect Spray
EPA Registration No. 239-2433
Your Submission Dated March 11, 1988 Deleting the Statement
"Contains Natural Organic Insecticide" and Changing the
Wording in the "Directions"

The amendment referred to above, submitted in connection with registration under section 3(c)(7)(A) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), is acceptable provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Submit five (5) copies of your final printed labeling before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely yours,

Phil Hutton
Product Manager (17)
Insecticide-Rodenticide Branch
Registration Division (TS-767C)
