NET WT. 9 OZ.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION:

Harmful if swallowed or absorbed through skin. Do not breathe spray mist. Avoid contact with eyes, skin or clothing. If swallowed, promptly drink a large quantity of water and induce vomiting. Get medical attention immediately. In case of eye contact, immediately flush eyes with plenty of fresh water. Get medical attention if irritation persists. For skin, wash thoroughly with soap and water. **Note to Physicians:** Emergency Information - call (415) 233-3737. Acephate is a cholinesterase inhibitor. If signs or symptoms of cholinesterase inhibition occur, atropine and 2-PAM are antidotal. **PHYSICAL OR CHEMICAL HAZARDS:** Extremely Flammable. Do not use or store near fire, sparks or heated surfaces. Contents under pressure. Do not puncture or incinerate container. Exposure to temperatures above 130° F. may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL AND PAMPHLET. USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONARY STATEMENTS AND DIRECTIONS.

OUTDOORS - Kills the following Insect Pests on Plants as Listed in Pamphlet. Can be used in exterior plantscapes.

See pamphlet in overcap for complete use directions.

INDOORS - Kills the following Insect Pests on House Plants as listed. Can be used in interior plantscapes.

Pests: Aphid, Mealybug*, Twospotted Spider Mite*, Scale Crawlers*, Whitefly*.

Plants: Aluminum Plant, Areca Palm, Asparagus Fern, Baby Leaf Ivy, Blood Flower, Boston Fern, Butterflyweed, Coffee Plant, Coleus, Croton, Dieffenbachia, Dracaena, English Ivy, False Aralia, Fuchsia, Geranium, Grape Ivy, Jade Plant, Japanese Aralia, Kalanchoe, Mirror Plant, Needle Point Ivy, Nephthytis, Parlor Palm (Neanthe Bella Palm), Peperomia, Piggyback Plant, Pilea, Poinsettia, Prayer Plant, Purple Passion, Purple Velvet Plant, Schefflera, Spider Plant, Swedish Ivy, Wandering Jew, Weeping Fig (Ficus benjamina), Zebra Plant.

*Spray 2-3 times about 7-10 days apart to kill these harder-to-kill pests. Additional sprays may be needed if plants become reinfested.

When to Apply-Spray at first sign of pests, before infestation is heavy. Repeat if necessary. Do not apply more frequently than the 7 day interval noted above. Do not apply to wilted plants or to plants that are in direct sunlight. Plants may be sprayed indoors.

How to Apply

Hold can approximately 18" from plant. Apply as a light spray, in short bursts, covering both upper and lower leaf surfaces. Do not spray towards face, or put face in mist cloud.

NOTE: Holding aerosol too close to foliage may result in overwetting and damage to tender foliage. Avoid direct spraying of plastic pots, asbestos tile, vinyl tile floors or latex painted walls as etching or staining may occur.

STORAGE AND DISPOSAL

STORAGE: Store in a secure, preferably locked storage area away from heat or open flame.

DISPOSAL: PRODUCT-Unused product may be disposed of by securely wrapping original container in several layers of newspaper and discard in trash. **CONTAINER**-Replace cap and discard container in trash. Do not incinerate or puncture.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
