

DIRECTIONS

Mix thoroughly and spray entire plant covering both sides of foliage thoroughly. For specific directions see below and refer to pamphlet. May be applied with an ORTHO SPRAYETTE, ORTHO Lawn & Garden Sprayer, tank type or power sprayer.

Rate to Apply - Aphids on Roses, Flowers, Shrubs and other plants as listed in pamphlet: Apply 2 Tablespoonfuls (1 fl. oz.) to 1 gal. water. Spray as aphids appear. Repeat if reinfestation occurs.

On Other Listed Pests on Roses, Flowers, Shrubs and other plants as listed in pamphlet: Apply 3 Tablespoonfuls (1 1/2 fl. oz.) to 1 gal. water. Spray when insects are present or feeding injury is first noticed. Repeat if reinfestation occurs.

For Mealybugs, Flower Thrips, Whiteflies, Scales and other hard to control pests on Roses, Flowers, Shrubs and other plants as listed in pamphlet: Spray 2 to 3 times about 7 to 10 days apart. For best results apply at first sign of infestation. Additional sprays may be needed if plants become reinfested.

COMBINATION SPRAY WITH FUNGICIDE OR FERTILIZER ON ROSES

ORTHENE Systemic Insect Control may be used together with ORTHO FUNG'NE 4* Rose Disease Control or PHALAN Rose & Garden Fungicide or ORTHOCIDE Garden Fungicide or ORTHO Rose & Flower Food 8-12-4 (Liquid) at the rates recommended on each product label.

Apply fungicides on a regular schedule for disease control; add ORTHENE Systemic Insect Control only when necessary for insect control. Do not apply more than two consecutive applications of ORTHENE Systemic Insect Control in combination with any of the above fungicides.

NOTE: Apply this product only as specified on this label. Do not apply to American Elm, Flowering Quince, Sugar Maple, Red Maple, Cottonwood, Redbud and Weigelia as foliage injury may occur.

Clean sprayer after use by flushing with water; do not use household bleach as a cleaning agent.

STORAGE AND DISPOSAL

Keep pesticide in original container. Do not put concentrate or dilute into food or drink containers. Do not contaminate food or foodstuffs. Do not reuse empty container. Wash container and put in trash.
