

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Avoid inhalation of spray or vapors. Avoid contact with skin, eyes or clothing. Wash contaminated skin promptly with soap and warm water. For eyes, flush with plenty of water and get medical attention if irritation persists. **Note to Physicians:** Emergency Information — call (415) 233-3737. Avoid contamination of food and feedstuffs. Do not use in commercial food processing, preparation, storage or serving areas. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Cover exposed food. Remove pets, birds and cover fish aquariums before spraying. **PHYSICAL OR CHEMICAL HAZARDS:** Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

Inert Ingredients	85.000%
*d cis, trans phenothrin	
**cis/trans isomer ratio max 25% or — cis	
min 75% or — or — trans	

This product is not for use in food processing areas, food storage areas, or in areas where food is prepared or stored.

Keep out of reach of children

CAUTION

See back panel for additional precautionary statements

NET WT. 5 OZ.

Aids in control of Cockroaches.

Cover exposed food, dishes and food-handling equipment. Open cabinets and doors to area to be treated. Shut off fans and air conditioners. Put out all flames and pilot lights. Close doors and windows. Point valve opening away from face and eyes when releasing. Use one unit for each 5,000 cubic feet of unobstructed area. Use additional units for recreation rooms or where free flow of mist is not assured. Do not remain in the area during treatment and ventilate thoroughly before re-entry.

Shake Well Before Using

TO OPERATE VALVE: To use valve in open position for automatic discharge, push down firmly with thumb on sprayer tab until it snaps into place. Then place fogger in standing table in center of room with valve locked. Put a layer of newspaper or pad under fogger. Leave building at once and keep building closed for four hours before airing out. Open all doors and windows and allow to air for 30 minutes. Repeat spraying in two weeks or when necessary.

To Kill Ticks: Remove and destroy ticks before using. Apply to animal's body and surrounding area. For food, bedding, pets, remove other treatment. To spray and mist with a registered insecticide, spray or mist before allowing them to enter treated area.

To Kill Fleas: Use with water in a bucket.

SUGGESTION: For killing house flies, crawling insects, gnats, mosquitoes, spiders, silverfish, crickets and other insects, use ORTHO Hi-Power Household Killer Fogger.

STORAGE AND DISPOSAL

STORAGE: Store in a cool, dry place. Do not store in a warm, dry place.

DISPOSAL: PRODUCT is not for use in food processing areas, food storage areas, or in areas where food is prepared or stored. **CONTAINER:** Replace cap and store in a cool, dry place. Do not use for other purposes.

NOTICE: Do not use in food processing areas, food storage areas, or in areas where food is prepared or stored.
