NET CONTENTS 1 QT.

Dilution Table

Amount of ORTHO Systemic Weed & Grass Killer to Use	Water to Use	Area to Treat
1/2 qt.	2 1/2 gallons	500 sq. ft.
1 qt.	5 gallons	1,000 sq. ft.
1 1/2 qt.	7 1/2 gallons	1,500 sq. ft.

IMPORTANT: For spot treating in lawns and around trees and shrubs, a tank type sprayer is recommended. Spray carefully. Avoid spray drift contact with desirable lawn grasses, shrubs or trees. This product is not selective and can kill all vegetation on contact. If accidental drift contacts desirable foliage, wash off immediately with water. Do not apply when rainfall is expected within 24 hours of application as weed control will be reduced.

WHERE TO APPLY:
Gardens: Apply this product to control weeds growing in areas that will later be planted to the following crops:
Arbuckle, Jerusalem Sycamore, Pea crops such as lentils, carrots, onions, potatoes, radishes and turnips. Leafy vegetables such as collards, lettuce, mustard greens and spinach. Seed and pod vegetables such as beans and peas, broccoli, cauliflower, kale andokra.

Trees, Apple, Cherry, Avocado, Citrus, Nut, Pear and Grape Vines: Apply this product to control undesirable plants growing in tree trunks and vines. Spray contact other than with main trunk of the main trunk can cause the tree or vine. Allow 21 days between application and picking next crop. Allow 14 days between application and harvesting fruit crops.

General Weed Control: Apply this product to control undesirable plants growing in lawns, around buildings, around trees and shrubs, and in other areas where undesirable plants are growing.

Landscaping: Apply this product to control undesirable plants growing in lawns, around buildings, around trees and shrubs, and in other areas where undesirable plants are growing.

Ornamentals: Apply this product to control undesirable plants growing in lawns, around buildings, around trees and shrubs, and in other areas where undesirable plants are growing.

Lawns: Apply this product to control undesirable plants growing in lawns, around buildings, around trees and shrubs, and in other areas where undesirable plants are growing.

TO PREPARE REFILL FOR ORTHO READY-TO-USE SPOT WEED & GRASS KILLER: Add 1/2 qt. of ORTHO Systemic Weed & Grass Killer to 2 1/2 gallons of water.
