

**PRECAUTIONARY STATEMENTS
DANGERS TO HUMANS & DOMESTIC ANIMALS**

CAUTION: Avoid contact with eyes. In case of contact, immediately flush eyes with plenty of fresh water for 15 minutes. Get medical attention if irritation persists. Note to Physicians: For more information on Ortho, call (415) 233-2737. Keep out of reach of children. Do not treat areas until spray has dried. Avoid contact with children.

ENVIRONMENTAL HAZARDS: Keep out of lakes, streams, rivers, etc. Do not contaminate water by cleaning of equipment or disposal of wastes.

DIRECTIONS FOR USE: See side panel for additional directions. For use as a spot weed killer, apply to weeds in lawn areas.

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH ALL PRECAUTIONARY STATEMENTS AND DIRECTIONS.

Ortho Weed & Grass Killer Systemic is a selective systemic herbicide. It kills weeds and grasses by interfering with their ability to produce food. It is safe for use on lawns and ornamentals. It is effective against a wide range of weeds and grasses. It is easy to apply and provides long-term control.

FAX: (415) 233-2400
EPA Reg. No. 233-2400-001

NET CONTENTS 1 QT.

Dilution Table

Amount of ORTHO Systemic Weed & Grass Killer to Use	Water to Use	Area to Treat
8 fl. oz. (1 quart)	1 gallon	250 sq. ft.
1 pt.	2 3/4 gallons	500 sq. ft.
1 qt.	4 1/2 gallons	1,000 sq. ft.

Visible effects generally occur within one week with complete kill in 2-4 weeks. Reseeding of treated lawn areas may be done 7 days after treatment.

IMPORTANT: For spot treating in lawns and around trees and shrubs, a tank type sprayer is recommended. Spray carefully. Avoid spray or drift contact with desirable lawn grasses, shrubs or trees. This product is not selective and can kill all vegetation contacted. If accidental drift contacts desirable foliage, wash off immediately with water. Do not apply when rainfall is expected within 24 hours of application as weed control will be reduced.

WHERE TO APPLY:
General Weed Control: Apply this product to control undesirable plants growing in lawns, around physical ornaments, buildings, sidewalks or other areas where control is desired.
Landscaping: Apply this product to control undesirable weeds in areas growing in areas where plantings of ornamentals, trees, shrubs, ground covers, rock gardens, flower beds or similar plants will be made.

Ornamentals: Apply this product to control undesirable plants growing around ornamentals, trees or shrubs. Spray carefully. Avoid contact with desirable plants as they may cause injury.

Lawns: Apply this product to control undesirable weeds growing in lawns. Spot treating undesirable weeds in a lawn will cause a hole in the lawn. If you spot treat, be sure to close the areas. Re-seed spots with top dressing to provide complete grass cover and prevent reformation by undesirable plants.

TO PREPARE REFILL FOR ORTHO READY-TO-USE SPOT WEED & GRASS KILLER: Add 1 quart of 25% Systemic Weed & Grass Killer to the empty, clean container with 9 parts of clean tap water. Mix thoroughly. Store in a cool, dry place. Do not use if the mixture is cloudy or contains particles on the bottom.

STORAGE AND DISPOSAL:
STORAGE: Keep tightly in original container. Do not put in unmarked containers. Do not use for other purposes. Avoid contact with children and pets. Store in a cool, dry place, preferably in a locked cabinet. Do not store in a hot area.
DISPOSAL: PRODUCT: Empty container may be disposed of in household waste. Do not use for other purposes. **CONTAINER:** Do not reuse empty container. Do not use for other purposes.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
