Ms. Katherine A. Buteau
 Chevron Chemical Company
 Ortho Consumer Product Division
 940 Hensley Street
 Richmond, CA 94804-0030

Dear Ms Buteau:

Subject: Weed-B-Gon Weed Killer
 EPA Registration No. 239-2499
 Re: Label Amendment
 Your Submission Dated April 8, 1992

The labeling referred to above submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide act, as amended is acceptable, provided that under the Environmental Hazard Section of the label replace the statement "Do not apply directly to water of wetlands, to read "Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark." Please submit five (5) copies of your final printed labels incorporating this amendment. A stamped copy of labeling is enclosed for your records.

Sincerely

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Harmful if absorbed through skin. **APPLYING:** When applying this product wear goggles or face shield, long pants, long sleeved shirt, shoes, and chemical resistant gloves. Wash nondisposable gloves thoroughly with soap and water before removing. Remove contaminated clothing and launder separately before reuse. Thoroughly wash hands and exposed skin with soap and water after handling. Do not reenter or permit others such as children and pets to reenter treated areas until spray has dried. **STATEMENT OF PRACTICAL TREATMENT:** If on skin, wash with plenty of soap and water. **Note to Physicians:** Emergency Information — call 1-800-457-2022.

ENVIRONMENTAL HAZARDS: This product is toxic to aquatic invertebrates. Drift or runoff may adversely affect aquatic invertebrates and nontarget plants. Do not apply directly to water or wetlands (swamps, bogs, marshes, and potholes). Exercise caution when disposing of waste as groundwater contamination may result from careless handling or spills. Do not contaminate water when disposing of equipment washwaters.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONARY STATEMENTS AND DIRECTIONS.

ACCEPTED
with COMMENTS
in EPA Letter Data:

MAY 1992

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, the pesticide registered under EPA Reg. No.

239-2499

KILLS: Bur Clover, Carpetweeds, Chickweeds, Creeping Charlie, Cudweed, Curly Dock, Dandelion, English Daisy, False Dandelion, Filaree, Florida Pusley, Heartleaf Drymary, Henbit, Oxalis, Pennywort, Plantains, Purslane, Red Sorrel, Sheep Sorrel, Spurge, Spurred, Thistles, Toadflax, White Clover, Wild Carrot, Wild Geranium, Wild Onion.

How To Use: Adjust spray nozzle to give a coarse spray or jet stream for spot treatments as needed. Aim at center of weed and spray to wet. One application should be sufficient; however, a repeat application may be required in 2-3 weeks for hard to control weeds. Spray anytime weeds are actively growing. Do not apply when temperatures are expected to exceed 85°F or if rain is expected to occur within 24 hours following application. Weeds in newly seeded lawns may be sprayed after lawn has been mowed 3 times.

**Kills Broadleaf Lawn Weeds
Roots & All**

**Ready-To-Use
• No Mixing**

Kills: Dandelion, Clover, Plantains, Chickweeds, Oxalis, Spurge, Henbit, English Daisy, Wild Onion and Many Other Listed Weeds.

Active Ingredients	By Wt.
2,4-Dichlorophenoxyacetic acid, dimethylamine salt*	0.20%
2-(2-Methyl-4-chlorophenoxy) propionic acid, dimethylamine salt**	0.20%
Inert Ingredients	99.6%
*2,4-Dichlorophenoxyacetic acid equivalent, isomer specific by AOAC Method 6.275: 0.16%.	
**2-(2-Methyl-4-chlorophenoxy) propionic acid equivalent: 0.17%

**2-(2-Methyl-4-chlorophenoxy) propionic acid equivalent: 0.17%	

IMPORTANT: Do not use this product for controlling weeds in vegetable gardens, flower beds or around shrubs or ornamental plants. Temporary discoloration may occur on St. Augustine, Centipede and Bentgrass lawns.

To Prepare Refill: Add 1 Tablespoonful of WEED-B-GON Lawn Weed Killer, EPA Reg. No. 239-2342, to this empty container, then add 24 oz. (1½ pints) tap water and use according to directions on this label.

STORAGE AND DISPOSAL

STORAGE: To store, rotate nozzle to closed position. Keep from freezing. Keep pesticide in original container. Do not put concentrate or dilute into food or drink containers. Avoid contamination of feed and foodstuffs. Store in a cool, dry place, preferably in a locked storage area. Place sprayer nozzle under handle on container so the sprayer is not below level of contents of container.

DISPOSAL: PRODUCT — Partially filled jug may be disposed of by securely wrapping original container in several layers of newspaper and discard in trash. **CONTAINER**—Do not reuse empty jug except as specified in the directions to prepare refill. Rinse thoroughly before discarding in trash.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
