ORTHO WEED-B-GON  
For Southern Lawns

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS & DOMESTIC ANIMALS**

**CAUTION:** Harmful if swallowed or absorbed through the skin. Causes eye and skin irritation. Avoid contact with eyes, skin and clothing. Avoid breathing spray mist. Keep children and animals off treated areas until these areas are dry. Wash hands after use.

**STATEMENT OF PRACTICAL TREATMENT:** If swallowed, do not induce vomiting; give a large amount of water to drink and call a doctor immediately. In case of eye contact, wash eyes immediately with fresh water for at least 15 minutes. See a doctor if irritation persists. If on skin, wash skin with plenty of soap and water. See a doctor if irritation persists. **Note to Physicians:** Emergency Information - call (415) 233-3737. This product contains light hydrocarbon liquid and an aspiration hazard may exist.

**ENVIRONMENTAL HAZARDS:** Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

**PHYSICAL AND CHEMICAL HAZARDS:** Do not use, pour, spill or store near heat or open flame.

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONARY STATEMENTS AND DIRECTIONS.**

WEED-B-GON For Southern Lawns, containing MCPP and Maintain, is designed to control broadleaf weeds in southern or warm season grasses without injuring the lawngrass when used as directed.

**DIRECTIONS FOR USE ON LAWNS:** For best control, WEED-B-GON For Southern Lawns should be applied in the spring or fall when weeds are young and actively growing. If summer applications are necessary, temporary discoloration or injury may occur to St. Augustine Grass; however, St. Augustine and other southern grasses will not be permanently injured if applied as directed.

Make one application to control Black Medic, Chickweed, Clover, Cudweed, Dichondra, Evening Primrose, Pigweed, Bracted Plantain, Purslane, Shepherspurse, Sow Thistle and Toadflax.

Make 2 applications 2 to 3 weeks apart to control the following hardy weeds: Florida Betony, Florida Pursley, Oxalis, Sensitive Mimosa, Spurge and Wild Geranium.

**HOW TO USE:** For best results, use an ORTHO SPRAY-ETTE or tank type sprayer. Refer to table for recommended dilution. If lawn needs watering, water thoroughly before application. Do not water for 24 hours after application. Spray entire lawn, wetting weeds and lawn grasses, do not overspray. Spray when air is calm to avoid spray drift that might injure desirable ornamental plants.

**Note:** The activity of WEED-B-GON For Southern Lawns may not be evident for at least 2 to 3 weeks after application and complete control of listed weeds may take 4 to 6 weeks.

**NEWLY SEEDED LAWNS** may be treated after they have been moved at least 3 times. Do not apply to Dichondra, Lippia, Clover, Bluegrass or Fescue Lawns.

#### DILUTION TABLE

Area To Treat	Water to Use	Amount of WEED-B-GON for Southern Lawns To Use
200 sq ft	1 gallon	2 Tablespoonfuls
1200 sq ft	6 gallons	12 Tablespoonfuls (6 ounces)

**IMPORTANT:** Do not use this product for controlling weeds in flower or vegetable beds or around shrubs or ornamental plantings. Vapors may injure susceptible plants in immediate vicinity. Do not reseed for 3 to 4 weeks after use. Avoid spray contact or drift to susceptible plants as this product may injure flowers, shrubs, garden vegetables, fruit trees and other crops. Coarse sprays are less likely to drift. When ORTHO Sprayer is used and rinsed thoroughly as directed on sprayer jar immediately after applying WEED-B-GON For Southern Lawns, it can be used to apply insecticides, fungicides and liquid fertilizers to ornamental plants.

**STORAGE AND DISPOSAL**

**STORAGE:** Keep pesticide in original container. Do not store near feed, foodstuff, fertilizers, seeds, insecticides or fungicides. Do not put concentrate or dilute into food or drink containers. Store in a cool, dry place, preferably in a locked storage area. Do not store diluted spray.

**DISPOSAL: PRODUCT** - Partially filled bottle may be disposed of by securely wrapping original container in several layers of newspaper and discard in trash. **CONTAINER** - Do not reuse empty bottle. Rinse thoroughly before discarding in trash.

**NOTICE:** Buyer assumes all responsibility for safety and use not in accordance with directions.

Contains Chlorflurenol, a Product of E. Merck, Darmstadt, West Germany.
