Dear Ms. DiMaggio:

Subject: Revised Finished Label and Master Statement of Formula  
Ortho Lindane No. 200 Spray  
EPA Registration No. 239-2518  
Your Submission Dated June 28, 1984

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, is acceptable. A stamped copy is enclosed for your records.

At the next label printing relocate "Aerial application of lindane is prohibited" to the beginning of the Pine Bark Beetles directions as originally requested in our April 6, 1984, Notice of Registration. Aerial application is obviously not likely for the ornamental use calling for 1 pint of spray to saturate soil around plants in beds.

The confidential statement of formula is acceptable and has been added to this product's registration file.

Sincerely yours,

George T. LaRocca
