DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONARY STATEMENTS AND DIRECTIONS.

HOW TO USE: Shake well before using. Fold back protective hinged tab exposing nozzle. Snap in place on sprayer top. Hold container about 12 inches from animal or surface to be treated. May be used indoors or outdoors.

FLEAS AND TICKS ON DOGS AND CATS: Start spraying at the animal's head - avoiding the eyes, nose and mouth as you spray. Make sure that the animal's entire body is covered, including the legs, under body and tail. While spraying, fluff the hair so that spray will penetrate to the skin. Make sure spray wets thoroughly. Spray contains a fragrance that leaves animal smelling fresh. Repeat as necessary.

PET AREAS: To control fleas and brown dog ticks on premises: Thoroughly spray infested areas, pet bedding, resting quarters, nearby cracks and crevices, along and behind baseboards, moldings, window and door frames, and localized areas of floor and floor covering.
