PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. Avoid contamination of feed and foodstuffs. Remove pets, birds and cover fish aquarium before space spraying or surface applications.

TREATMENT OF PRACTICAL TREATMENT: IF SWALLOWED: Drink one or two glasses of water and induce vomiting by touching the back of the throat with finger. Repeat until vomit fluid is clear. Call a physician immediately. Do not induce vomiting or give anything by mouth to an unconscious person.

IF INHALED: Remove victim to fresh air. Apply artificial respiration if indicated.

IF ON SKIN: Remove contaminated clothing and wash affected areas with soap and water.

IF IN EYES: Flush eyes with plenty of water. Call a physician if irritation persists.

Note to Physicians: Emergency Information — call 1-800-457-2022.

ENVIRONMENTAL HAZARDS: This product is toxic to fish. Do not apply directly to lakes, ponds, streams, tidal marshes or estuaries. Do not contaminate water by cleaning of equipment or disposal of wastes.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONARY STATEMENTS AND DIRECTIONS.

For use in homes, apartments, attics, garages, basements and storage areas. Non-staining, non-damaging to carpets, rugs, floors and baseboards. Kills insects on contact.

**NET CONTENTS
1 PT. 8 FL. OZ.**

HOW TO USE: Shake well before using. Fold back protective hinged tab exposing nozzle. Snap in place on sprayer top. Adjust spray nozzle to give a mist spray or fine stream for crack and crevice treatment. Hold container about 12 inches from pest; animal or surface to be treated. May be used indoors or outdoors. Hold container upright and spray infested surfaces until barely wet. Do not spray desirable plants. Thoroughly wash dishes and food handling utensils with soap and water if they become contaminated by application of this product. Do not apply spray of this product in conduits, motor housing, junction and switch boxes or other electrical equipment because of possible shock hazard. Do not use in edible products, areas of food processing plants, restaurants or other areas where food is commercially prepared. Repeat treatment as needed.

EARWIGS:

ROACHES, ANTS, CLOVER MITES, CRICKETS, FIREBRATS, SOWBUGS, PILLBUGS, MILLPEDES, SILVERFISH AND SPIDERS — Thoroughly spray under and behind sinks, stoves, refrigerators, cabinets, around plumbing, along baseboards, and other areas where insects hide, including dark corners of rooms, cabinets, cracks and crevices in walls and floors. **ANTS** — Apply directly to ants and ant trails or wherever these pests may gain entrance. May be used indoors or outdoors.

FLEAS AND TICKS ON DOGS AND CATS: Start spraying at the animal's head — avoiding the eyes, nose, mouth and genital areas as you spray. Make sure that the animal's entire body is covered, including the legs, under body and tail. While spraying, fluff the hair so that spray will penetrate to the skin. Make sure spray wets thoroughly. Spray contains a fragrance that leaves animal smelling fresh. Repeat as necessary.

PET AREAS: To control fleas and brown dog tick: on premises: Thoroughly spray infested areas, pet bedding, resting quarters, nearby cracks and crevices, along and behind baseboards, moldings, window and door frames, and localized areas of floor and floor covering. Concurrent treatment of animals is recommended. Repeat treatment as needed.

FLYING INSECTS — FLIES, MOSQUITOS, SMALL FLYING MOTHS, GNATS: Spray directly on pests or on surfaces, especially around window screen and frames, screen doors, around outdoor lights, garbage cans and other places where these insects alight or congregate.

STORAGE AND DISPOSAL

STORAGE: For storage, reseal by replacing tab closure over spray nozzle. To store, rotate nozzle to closed position. Keep pesticide in original container. Do not put into food or drink containers. Avoid contamination of feed and foodstuffs. Store in a cool, dry place, preferably in a locked storage area.

DISPOSAL: PRODUCT — Partially filled bottle may be disposed of by securely wrapping original container in several layers of newspaper and discard in trash.

CONTAINER — Do not reuse empty bottle. Rinse thoroughly before discarding in trash.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
