TO OPERATE: SHAKE OCCASIONALLY FOR CONTINUOUS SPRAYING. To spray, tilt can slightly forward and press button. Hold dispenser about 12" from surface. The nozzle is designed to produce a coarse, wet spray. Spray until surfaces are wet but without run off.

GULFSPRAY ANT ROACH KILLER contains DDT for fast-kill and quick kill of roaches. Ants and roaches wet with the spray are quickly killed. Surfaces wet with it remain effective (1 to 2 weeks for roaches indoors) if the spray residue are not removed by cleaning or water.

GULFSPRAY ANT ROACH KILLER kills roaches resistant to certain chlorinated hydrocarbon and phosphite insecticides.

ANTS, WASPS: Apply to ants and wasp trails and window sills, door frames and where they enter homes. Spray cracks and crevices, such as night when insects are in nest. Do not spray vegetation.

ROACHES, WATER BUGS, CRICKETS: Spray heavily into all cracks and behind baseboards and other places where they hide. When insects run out, spray them. Repeat treatment as required.

BLACK WIDOW AND OTHER SPIDERS, SCORPIONS, HOUSE CENTIPEDS: Spray places where you see them, such as spider webs, around windows, back of shutters and ransoms, corners of garages and basements. Treat window frames and other entry points.

SILVERFISH: Spray crevices along baseboards in attic and basement areas. Remove beds, spray baseboards, permit to dry before returning beds. Treat back and beneath baseboards.

BROWN DOG TICKS: Spray crevices along wood trim around doors and windows, baseboards, etc. Spray all crevices where dog rests. Treat areas in porch and dog kennels. Fresh bedding should be replaced after spraying. Do not spray pets. Repeat as necessary.

FLIES, MAGGOTS: To aid in keeping garbage cans free of flies and maggots, spray inside and outside frequently.

CAUTION: DANGEROUS IF SWALLOWED. INHALED OR ABSORBED THROUGH THE SKIN. If spray gets the skin wash thoroughly with soap and water and after handling wash before eating or smoking. Do not spray humans, pets, plants, foodstuffs or feed animals.

KEEP OUT OF REACH OF CHILDREN Do not permit children or pets in contact treated surfaces until dry. Avoid breathing spray mist and grounds adjacent to window of area being treated. Contact with skin, eyes, or clothing should be avoided. Should direct contact occur, get prompt medical attention. Persons hypersensitive to ingredients should not use spray. Do not use in a space spray.

Do not use in edible subjects areas of food processing plants, restaurants or other areas where food is commercially prepared or processed. Do not use in working areas unless food is exposed.

WARNING: Flammable Contents under pressure. Do not use near fire, sparks, or flame. Do not puncture or otherwise damage container. Exposure to temperatures above 130° may cause bursting.

Remove bird cages and cover fish aquariums while spraying. Do not spray asphalt pits, some baseboards, carpets with attached built-in padding and certain plastics. Fish aquariums may be covered if necessary. Do not spray radio or TV elements.
