Chlorpyrifos Methyl

NOTICE OF PESTICIDE:  REGISTRATION  
 REREGISTRATION

(Under the Federal Insecticide, Fungicide,  
and Rodenticide Act, as amended)

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Chlorpyrifos Methyl  
Dow Chemical Company  
1900 Dow Center  
Midland, TX 79701

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others. If a product is commercially registered under the Act, you must comply with 40 CFR

3(c)(7)(h) if stated that you:

1. Market a product that is similar to the registered product, you must submit such information to the Administrator:

2. Make the labeling changes listed below to the label for shipment:

- a. Add the phrase "EPA Registration No. 239-2579."
- b. Revise your Hazards to Humans paragraph to read:

Caution: Harmful if swallowed. Avoid contact with eyes, skin, or clothing. Wash thoroughly after handling.

The Statement of Practical Treatment on the label is acceptable.

- c. To your Environmental Hazards paragraph, add the statement:

This product is toxic to fish.
