

ACCEPTED
DEC 14 1987
Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. **239-2580**

SLUG-GETA Granules
EPA Reg. No. 239-
Submitted: October 8, 1987

COPY A

*methiocarb (4-methylthio-3,5-xylilmethylcarbamate)

COPY B

If swallowed drink 1 or 2 glasses of water (or milk) and induce vomiting by touching the back of the throat with finger. If possible contact a physician, Poison Control Center, or emergency center before inducing vomiting. Do not induce vomiting or give anything by mouth to an unconscious person. Take person and product container to the nearest emergency treatment center. In case of eye contact, wash eyes immediately with fresh water for at least 15 minutes. See a doctor if irritation persists. For skin contact wash skin with plenty of soap and water. **Note to Physicians:** Emergency Information - call (415) 233-3737. MESUROL is a reversible cholinesterase inhibitor. Atropine is antidotal.

COPY C

This pesticide is toxic to fish and very highly toxic to birds. Do not apply directly to water or wetlands (swamps, bogs, marshes and potholes). Runoff from treated areas may be hazardous to aquatic organisms in neighboring areas. Do not contaminate water by cleaning of equipment or disposal of wastes. This product is highly toxic to bees exposed to direct treatment or residues on blooming crops or weeds. Do not apply this product or allow it to drift to blooming crops or weeds if bees are visiting the treatment area.

COPY D

RESTRICTED USE PESTICIDE
Due to Avian Toxicity and Fish and Aquatic Organism Toxicity
For retail sale to and use only by certified applicators or persons under their direct supervision and only for those uses covered by the certified applicators certification.

COPY E

Do not enter treated areas for 24 hours after application unless protective clothing is worn.

ORTHO

SLUG-GETA® Snail & Slug Bait

SLUG-GETA Snail & Slug Bait is a granular formulation that effectively controls snails and slugs in gardens, dichondra, grasses, and lawns.

Do not use around food crops.

FOR BEST RESULTS WAIT 24 HOURS AFTER APPLICATION. This product is most effective during the day but late afternoon and early evening are best.

DIRECTIONS

FOR ORNAMENTAL GROUND COVERS: To aid in control of snails and slugs, treat before application. Scatter granules uniformly along the edges of border and flower beds, bases of fences and walkways, as necessary to keep away from crawling crickets and millipedes. Scatter granules in piles. Withhold irrigation after treatment. However, water dry after application, to encourage movement and effectiveness.

FOR DICHONDRA, GRASSES, AND SLUGS: Water area to be treated uniformly to 1/2 inch. Withhold heavy irrigation.

After application, spray granules from foliage in treated area until it has dried.

IMPORTANT: Do not use on lawns. Do not put granules in contact with visible on the treated area.

CONDITIONS OF SALE: Ortho warrants that this product conforms to the information on the label and that it is of good quality. Chevron neither represents nor warrants, and is not representative to make, any statement of MERCHANTABILITY, GUARANTEE, or CONCERNING THIS MATERIAL. Critical and unforeseen conditions may prevent it from eliminating snails and slugs. Such risks are assumed by the user. PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION

Harmful if swallowed. Avoid contact with eyes, skin and clothing. Wash thoroughly with soap and water after handling.

STATEMENT OF PRACTICAL TREATMENT

If swallowed, give a large amount of water to drink, make person vomit and call a doctor. Note to Physicians: Emergency information call (415) 233-3737. MESUROL is a reversible cholinesterase inhibitor. Atropine is antidotal.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and wildlife. Birds feeding on treated areas may be killed. Do not apply directly to water.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH PRECAUTIONARY STATEMENTS AND DIRECTIONS, AND WITH APPLICABLE STATE AND FEDERAL REGULATIONS.

STORAGE AND DISPOSAL

PROHIBITIONS

Do not contaminate water, food or feed by storage, disposal or cleaning of equipment. Open dumping is prohibited.

STORAGE

Keep pesticide in original container. For help with any spill, leak, fire or exposure involving this material, call day or night (415) 233-3737.

PESTICIDE DISPOSAL

Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL

Completely empty bag into application equipment. Do not reuse container. Dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. If burned, stay out of smoke.
