PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

Harmful if swallowed. Avoid inhalation of vapors. Avoid contact with skin and eyes. Wash contaminated skin promptly with soap and warm water. For eyes, flush with plenty of water. Get medical attention if irritation persists.

STATEMENT OF PRACTICAL TREATMENT: If swallowed, do not induce vomiting because of aspiration hazard. Get medical attention. If on skin, wash off with soap and warm water. Get medical attention if irritation persists. If in eyes, flush with plenty of water. Get medical attention if irritation persists. ← COPY C

Indoors, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Cover exposed food. Do not contaminate water when disposing of equipment washwaters. Outdoors, This product is highly toxic to fish. Do not apply directly to water or wetlands (swamps, bogs, marshes, and ponds). Drift from the treated areas may be hazardous to organisms in adjacent aquatic areas.

Remove pets, birds, and cover fish aquariums before spraying.

DIRECTIONS FOR USE
GENERAL CLASSIFICATION

COPY D
COPY F

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

DIRECTIONS: Remove the cap and point the nozzle away from you. Press the top of the valve to release spray. Hold the can at least four feet away from any object when spraying.

INDOORS: Release spray upwards in all directions into a closed room, about four to six seconds for every 1,000 cubic feet. After 15 minutes, doors and windows may be opened.

OUTDOORS: Spray into grass and shrubbery, about one foot above the ground, in the immediate area to be occupied. Hold the can about four feet away from the vegetation being sprayed. Similarly, spray around patios, barbecue pits, picnic tables and other outdoor areas when the air is quiet. Frequent repeated applications may be necessary, depending on the weather conditions. ← COPY

PHYSICAL HAZARDS

COPY G

Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

STORAGE AND DISPOSAL

COPY E

STORAGE: Store in a cool area away from heat or open flame.
