GroundClear® Triox® Total Vegetation Killer^A

GroundClear® Triox® is designed to kill vegetation and prevent plant growth for up to a year. Apply only where no plant growth is desired such as driveways, brick walks, gravel pathways, patios, parking areas, along fences, curbs and gutters and cracks in sidewalks.

Do not apply over the roots of desirable plants. DO NOT USE ON LAWNS, FLOWER OR VEGETABLE GARDENS OR OVER TREE ROOTS.

Peel open for use directions and further information

DANGER: Corrosive, causes irreversible eye damage. Do not get in eyes, on skin or clothing. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. SEE ADDITIONAL PRECAUTIONARY STATEMENTS AND DIRECTIONS INSIDE BOOKLET.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONARY STATEMENTS AND DIRECTIONS.

Apply only where no plant growth is desired such as driveways, brick walks, gravel pathways, patios, parking areas, along fences, curbs and gutters and cracks in sidewalks. Do not apply over the root system of desirable plants. See **IMPORTANT** note on next page for additional use caution.

DILUTION TABLE		
Amount to Use	Water to Add	Area to Cover
1 qt	1 gal, 1 pt	75 sq ft
2 qt	2 1/4 gal	150 sq ft
1 gal	4 1/2 gal	300 sq ft

WHEN TO APPLY: Apply evenly to bare ground or when weed growth is just starting. If weeds are taller than 6 inches, they should be cut down and removed before application. A second application may be needed to control deep rooted perennial weeds such as Wild Morningglory, Bermudagrass and

Johnsongrass. In areas of heavy rainfall, it may be necessary to repeat applications every 6 to 8 months.

HOW TO APPLY: Apply with a sprinkling can. If soil is dry, water before treatment.

Apply evenly over the soil surface including existing weeds.

Two or three days after application, water the treated areas, but not to the point of runoff. This will aid in killing existing weeds through root absorption and preventing weed seed from germinating.

To prevent growth of weeds under asphalt driveways, tennis courts, play areas and parking areas, apply before surfacing materials are applied.

IMPORTANT: Do not apply to areas where plantings are planned. To avoid damage to desirable plants, apply when the air is calm to avoid drift. Do not apply over the root system of trees and shrubs. Do not flood the ground after applying. Avoid use where adjacent desirable trees, shrubs, or plants may be injured as a result of leaching of the chemical through the soil. Do not apply to slopes as runoff or leaching may occur. In heavy clay soil, residual activity may exceed one year.

Do not apply closer than twice the distance from the trunk to the drip line. Do not apply next to a fence if desirable plants are growing on the other side or if future plantings are planned.

Note: Do not apply to areas shaded in green as roots of desirable plants may be present.

Do not apply on slopes as herbicide may move downhill with runoff water. Note: Do not apply to areas shaded in green as runoff or leaching (movement through soil) can damage nearby plantings down the slope.

Note: Do not apply to areas shaded in green as roots of desirable plants may be present.

Note: Do not apply to areas shaded in green as runoff or leaching (movement through soil) can damage nearby plantings down the slope.

STORAGE AND DISPOSAL

STORAGE: Keep pesticide in original container. Do not put concentrate or dilute into food or drink containers. Avoid contamination of feed and foodstuffs. Store in a cool, dry place, preferably in a locked storage area. Do not store diluted spray. **DISPOSAL: PRODUCT** - Partially filled container may be disposed of by securely wrapping original container in several layers of newspaper and discard in trash. **CONTAINER** - Do not reuse empty container. Rinse thoroughly before discarding in trash.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

DANGER: Corrosive, causes irreversible eye damage. Do not get in eyes, on skin, or clothing. Wear goggles, face shield or safety glasses. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals.

FIRST AID: IF IN EYES: Flush with fresh water for at least 15 minutes while holding the eyelids open. Remove contact lenses if worn. **IF ON SKIN:** Wash with plenty of soap and water. Get medical attention if eye or skin irritation persists. Wash contaminated clothing before reuse. **Note to Physicians:** Emergency Information call 1-800-454-2333.

ENVIRONMENTAL HAZARDS: Keep out of any body of water. Do not contaminate water when disposing of equipment washwaters.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
