BEST AVAILABLE

ORTHO Triamine Jet Weeder

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION: May irritate if swallowed or absorbed through skin. When handling wear goggles, long pants, long sleeved shirt, shoes, and chemical-resistant gloves. Wash thoroughly with soap and water before removing. Wash hands thoroughly or permit others such as children and pets to reenter treated areas until spray has dried. **PRACTICAL TREATMENT:** If on skin, wash with plenty of soap and water. Note: Information—call 1-800-457-2822. **ENVIRONMENTAL HAZARDS:** This product is highly toxic to aquatic life. Do not apply directly to water or wetlands (swamps, bays, marshes, and potholes). **PHYSICAL OR CHEMICAL HAZARDS:** Contents under pressure. Do not use or flame. Exposure to temperatures above 130°F may cause bursting. **DIRECTIONS FOR USE:** It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONS AND DIRECTIONS.

DIRECTIONS: Triamine Jet Weeder is formulated for "spot" application to individual weeds. Triamine Jet Weeder produces a "foamy" white lather for direct weed contact which acts as a marker. To treat entire lawn, use WEED-B-GON Lawn Weed Killer as a spray.

HOW TO APPLY

1. Shake can just before using and occasionally during use.
2. Invert can, hold at arm's length, and point can at weed as you press button. Do not spray on pavement.
3. Stand close to weed (1 to 2 feet); with can aimed at weed and away from face.
4. Push down briefly on button. Spray to cover center of weed, do not over-saturate. A white lather will form on the weed. This lather will make it easy for you to see coverage.
5. One application will kill most weeds listed. If certain tough weeds are not dead after 10 days, a second application may be necessary.

WEEDS CONTROLLED

Bindweed*	English Daisy	Pepperweed
Black Medic	Florida Pusley	Pigweed
Broadleaf Plantain	Frenchweed	Poison Ivy*
Buckhorn Plantain	Ground Ivy*	Poison Oak*
Buttercup	Healall	Purslane

Cocklebur	Mallow	Speedwell*
Creeping Sedges*	Mustard	Sperge
Dandelion	Oxalis*	Spurweed
Dogfennel	Pennywort	Stachwort

* Requires 2 applications 10 days apart.

IMPORTANT: Be careful when treating weeds not to spray surrounding desirable plants. Discoloration can be tolerated. Do not use this product for controlling weeds in vegetable beds, or around shrubs or ornamental plants. Wash off desirable plants immediately if drift occurs. Do not apply to Dichondra, Lippia, and Clover lawns. Bentgrass, St. Augustine grass may be injured by this product. Do not apply when temperatures are expected to rise or rain is expected to occur within 24 hours following application.

Weeds in newly seeded lawns may be sprayed after lawn has been mowed 3 times. Weeds may be reseeded in 4 weeks.

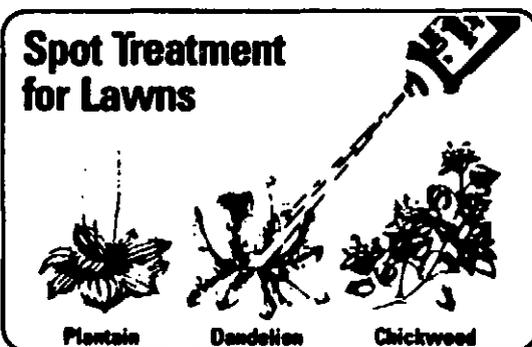

STORAGE AND DISPOSAL

STORAGE: Keep from freezing. Store in a secure, preferably locked storage area. **DISPOSAL:** PRODUCT—Unused product may be disposed of by securely wrapping in several layers of newspaper and discarding in trash. **CONTAINER:** Replace cap in trash. Do not incinerate, puncture or discard in home trash compactor. **NOTICE:** Buyer assumes all responsibility for safety and use not in accordance with directions.
