# ORTHO® Weed-B-Gon® Jet Weeder Formula III

Weed-B-Gon® Jet Weeder is formulated for spot application to weeds in lawns. Kills broadleaf lawn weeds, roots and all. This weeder produces a "foamy" white lather which avoids drift and marks treated weeds.

### DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.  
**READ ENTIRE LABEL. USE STRICTLY IN ACCORDANCE WITH LABEL PRECAUTIONARY STATEMENTS AND DIRECTIONS.**  
**HOW TO APPLY:** 1. Shake can just before using. 2. Invert can, hold at arm's length, and point can at weed as you press button. Do not press button when can is upright. 3. Stand close to weed (1 to 2 feet) with can aimed at weed and away from face. 4. Push down briefly on button. Spray to cover center of weed, do not overspray. The spray's foaming action will make it easy for you to see coverage. 5. One application will kill most weeds listed. If certain tough weeds are not dead within 3 weeks, repeat application.

**IMPORTANT:** Be careful when treating weeds not to spray surrounding desirable grasses unless temporary discoloration can be tolerated. Do not use this product for controlling weeds in vegetable gardens, flower beds, or around shrubs or ornamental plants. Wash off desirable plants immediately if accidental spray drift occurs. Do not apply to Dichondra, Lippia, and Clover lawns. Bentgrass, St. Augustinegrass or Carpetgrass may be injured by this product. Do not apply when temperatures are expected to exceed 85°F, or if rain is expected within 24 hours. Weeds in newly seeded lawns may be sprayed after lawn has been mowed 3 times. Treated spots in lawns may be reseeded in 4 weeks. To treat entire lawn, use Weed-B-Gon® Lawn Weed Killer.

### WEEDS CONTROLLED (\*Requires 2 applications: 10 days apart.)

Bindweed*	Creeping Beggarweed*	Knotweed	Ragweed	Wild Aster
Black Medic	Dandelion	Lambsquarter	Red Clover	Wild Carrot
Broadleaf Plantain	Dogfennel	Mallow	Red Sorrel	Wild Garlic

Cocklebur	Jimsonweed	Purslane	Veronica*	and other broadleaf weeds

### STORAGE AND DISPOSAL

**STORAGE:** Keep from freezing. Store in a secure, preferably locked storage area away from heat or open flame.  
**DISPOSAL: PRODUCT** - Unused product may be disposed of by securely wrapping original container in several layers of newspaper and discarding in trash. **CONTAINER** - Replace cap and discard container in trash. Do not incinerate, puncture or discard in home trash compactor.

### PRECAUTIONARY STATEMENTS

**HAZARDS TO HUMANS & DOMESTIC ANIMALS**  
**CAUTION:** Harmful if inhaled. Avoid breathing vapor or spray mist. **APPLYING:** When applying this product, wear goggles, long pants, long sleeved shirt, socks, shoes, and chemical resistant gloves. Wash nondisposable gloves thoroughly with soap and water before removing. Remove clothing and launder separately before reuse. Promptly and thoroughly wash hands and exposed skin with soap and water after using this product. Remove saturated clothing as soon as possible and shower. Do not allow others such as children and pets on treatment area during application or to reenter treated areas until spray has dried. **FIRST AID:** If inhaled: Remove victim to fresh air. If not breathing give artificial respiration, preferably mouth to mouth. Get medical attention. **Note to Physicians:** Emergency information call 1-800-454-2333.  
**ENVIRONMENTAL HAZARDS:** This product is toxic to aquatic invertebrates. Drift or run-off may adversely affect nontarget plants and aquatic invertebrates. Do not apply directly to water.  
**PHYSICAL OR CHEMICAL HAZARDS:** Contents under pressure. Do not use or store near heat or open flame. Exposure to temperatures above 130°F may cause bursting.  
**NOTICE:** Buyer assumes all responsibility for safety and use not in accordance with directions. Federal regulations prohibit CFC propellants in aerosols.
